ABSTRACT

This document strives to answer questions about school choice, such as what does school choice mean, what does school choice look like?, and what are the likely consequences of giving parents greater voice in their children's education? Reports are grouped into three thematic chapters. In Chapter 1, "Public-Public Choice," reports include: "Family Choice Arrangements in Public Schools: A Review of the Literature" (Mary Anne Raywid); "Parent Involvement and Teacher Decision Making in Urban High Schools of Choice" (Patricia A. Houch and Ellen M. Goldring); "Parent Involvement and School Choice: Exit and voice in Public Schools" (Rodney C. Ogawa and Jo Sargent Dutton); and "SES and Demographic Predictors of Magnet School Enrollment" (Doug Archbald). Chapter 2, "Semi-Private Choice," contains the following reports: "Charter Schools: A Primer on the Issues" (Sandra Vergara); "Tracking the Charter School Movement" (Arn M. Schneider); "The State of Charter Schools 2000: Ninth-Year Report" (Beryl Nelson and others); "The Thinking Behind Arizona's Charter Movement" (Gregg Gann); "Charter School Reform in California: Does It Meet Expectations?" (Amy Stuart Wells and others); "First Lessons: Charter Schools as Learning Communities" (Principella Wehstecker and Kelli C. Griffin); "Charter Schools: Serving Disadvantaged Youth" (Bruno V. Manu, Gregg Vancurek, and Chester E. Finn, Jr.); "Charter Schools and the Law: Emerging Issues" (Charles J. Russo and Joseph S. Ransucci); "For-Profit Charter Schools: What the Public Needs to Know" (Christy Lancaster Dykeman and Shirley Kaye Lewis); and "For-Profit Charter Schools and Students with Disabilities: The Scordis Side of the Business of Schooling" (Kandy J. Rollers and Arun K. Ramnathan). Chapter 3, "Public-Private Choice," includes "Some Things You May Want to Know about Tuition Tax Credits" (Russell I. Thackrey); "Tuition Tax Credits and Education Vouchers: Private Interests and the Public Good" (Doris M. Doyle); "The Consequences of School Choice: Who Leaves and Who Stays in the Inner City" (Valerie C. Martinez and others); "Educational Vouchers: Effectiveness, Choice, and Costs" (Barry H. Levin); "The Milwaukee Voucher Experiment" (John F. Witte); and "Free Market Policies and Public Education: What is the Cost of Choice?" (Kim K. Metcalf and Polly A. Tait). Each chapter begins with an

School Choice in America Kim K. Metcalf, Patricia A. Muller, Natalie A. Legan, 2001 *Charter Schools* Thomas Zachariaiah Murphy, 2002 Education is a perennially vexing issue in American life What exactly is the best system for teaching Proponents of charter schools believe that competition is the key public schools will improve if they have to compete for students Charters themselves are public schools but ones run by any group accepting the challenge of improving student performance in return for fewer regulations and tight budget restrictions In short charter schools have defined focus and clear accountability Those opposing the charter movement though claim that charter schools are divisive and distract attention from public school needs Some politicians have shown approval of charter schools as evidenced by President George W Bush s bill for funding charter programs This book aims to clear up some of the questions around charter schools and can help answer the questions surrounding the future of the American education system **Current Issues in**

Educational Policy and the Law Kevin G. Welner, Wendy C. Chi, 2008-02-01 Educational policy controversies in the United States invariably implicate legal issues Policy debates about testing and school choice for example cannot be disentangled from legal rights and mandates The same is true for issues such as funding campus safety speech and religion rights as well as the teaching of immigrant students Written for a general audience this new twelve chapter book explores these compelling educational policy issues through that legal lens building an understanding of both law and policy The book s editors are Kevin Welner associate professor of educational policy at the University of Colorado at Boulder and Wendy Chi a doctoral candidate at Boulder Both Welner and Chi are lawyers as well as educational scholars **Regional Strategy Meetings on**

Choice in Education , 1989 IJER Vol 1-N3 International Journal of Educational Reform, 1992-07-01 The mission of the International Journal of Educational Reform IJER is to keep readers up to date with worldwide developments in education reform by providing scholarly information and practical analysis from recognized international authorities As the only peer reviewed scholarly publication that combines authors voices without regard for the political affiliations perspectives or research methodologies IJER provides readers with a balanced view of all sides of the political and educational mainstream To this end IJER includes but is not limited to inquiry based and opinion pieces on developments in such areas as policy administration curriculum instruction law and research IJER should thus be of interest to professional educators with decision making roles and policymakers at all levels turn since it provides a broad based conversation between and among policymakers practitioners and academicians about reform goals objectives and methods for success throughout the world Readers can call on IJER to learn from an international group of reform implementers by discovering what they can do that has actually worked IJER can also help readers to understand the pitfalls of current reforms in order to avoid making similar mistakes Finally it is the mission of IJER to help readers to learn about key issues in school reform from movers and shakers who help to study and shape the power base directing educational reform in the U S and the world **School Choice**

Hochschild,Nathan

Scovronick,2004-10-21 The American Dream and the Public Schools examines issues that have excited and divided Americans for years including desegregation school funding testing vouchers bilingual education and ability grouping While these are all separate problems much of the contention over them comes down to the same thing an apparent conflict between policies designed to promote each student s ability to succeed and those designed to insure the good of all students or the nation as a whole The authors show how policies to promote individual success too often benefit only those already privileged by race or class and often conflict with policies that are intended to benefit everyone They propose a framework that builds on our nation s rapidly changing population in order to help Americans get past acrimonious debates about schooling Their goal is to make public education work better so that all children can succeed The Virginia School Journal ,1898 Includes Official department conducted by Superintendent of Public Instruction **Presidential Debates : The**

Challenge of Creating an Informed Electorate The Annenberg School for Communication University of Pennsylvania Kathleen Hall Jamieson Dean,Department of Speech Baruch College David S. Birdsell Assistant Professor, City University of New York,1988-10-13 Presidential debates have had mixed reviews Advocates praise debates as a way of making issues more central to the campaign Others criticize them as little more than joint press conferences How important are these debates Do they really test knowledge and vision Do they sort good ideas from bad or reveal important character traits and habits of mind In short do they provide voters with what they need to know to choose a president To address these questions the authors place contemporary debates in their cultural and historical context tracing their origins and development in the American political tradition from the eighteenth century to the present Although the Kennedy Nixon TV confrontations were an historical first debate was an element of American electoral politics by 1788 and a staple of policy deliberation throughout the colonial period Indeed much of the confusion over the value of debates stems in part from the long tradition of political debating in America Thus to make the most productive use of debate in modern presidential politics the authors argue we must respond to the history of this tradition The book concludes with recommendations to preserve the best elements of traditional debate while adapting to the requirements of the broadcast age The reforms they advocate include substantive debates between major party representatives between elections alternative formats use of visual aids in debates follow up press conferences a focus on fewer issues and increased experimentation in the primaries Presidential debates provide voters with a rare opportunity to evaluate political reasoning on complex issues In suggesting ways to make presidential debates even more effective this thought provoking volume makes an important contribution to America s political future
