School Court Public Administration Judaism And Its Institutions In Talmudic Babylonia:

Jews and Judaism in the Rabbinic Era Isaiah Gafni, 2019-01-04 This collection of essays by Isaiah M Gafni reflects over forty years of research on central issues of Jewish history in one of its formative eras Questions relating to representations of the past beginning with Josephus but primarily in rabbinic and post rabbinic literature represent an axial theme in this volume Throughout the collection the author addresses the tension between realities on the ground and the historiography that shaped the image of that reality for all subsequent generations Two specific clusters of studies analyze the emergence and development of the Babylonian rabbinic community as well as the complex relationship between the Judaeen centre and the Jewish diaspora in Late Antiquity A final selection of essays examines the impact of modern ideologies and revised methods of research on the image of Jewish life and rabbinic leadership in late antique Judaism

Babylonian Jews and Sasanian Imperialism in Late Antiquity Simcha Gross, 2024-02-29 From the image offered by the Babylonian Talmud Jewish elites were deeply embedded within the Sasanian Empire 224 651 CE The Talmud is replete with stories and discussions that feature Sasanian kings Zoroastrian magi fire temples imperial administrators Sasanian laws Persian customs and more quotidian details of Jewish life Yet in the scholarly literature on the Babylonian Talmud and the Jews of Babylonia the Sasanian Empire has served as a backdrop to a decidedly parochial Jewish story having little if any direct impact on Babylonian Jewish life and especially the rabbis Babylonian Jews and Sasanian Imperialism in Late Antiquity advances a radically different understanding of Babylonian Jewish history and Sasanian rule Building upon recent scholarship Simcha Gross portrays a more immanent model of Sasanian rule within and against which Jews invariably positioned and defined themselves Babylonian Jews realized their traditions teachings and social position within the political social religious and cultural conditions generated by Sasanian rule

The Cambridge History of Judaism: Volume 4, The Late Roman-Rabbinic Period William David Davies, Louis Finkelstein, William Horbury, Steven T. Katz, John Sturdy, Mitchell B. Hart, Tony Michels, Jonathan Karp, Adam Sutcliffe, 1984 This fourth volume of The Cambridge History of Judaism covers the period from 70 CE to 640 CE the rise of Islam It deals with the major historical political and cultural developments in Jewish history and the history of Judaism in this crucial era during which Judaism took on its classical shape It provides discussion and analysis of all the essential subjects pertinent to an understanding of this period and is especially strong in its coverage of the growth and development of rabbinic Judaism and of the major classical rabbinic sources such as the Mishnah Jerusalem Talmud Babylonian Talmud and various Midrashic collections In addition it surveys the early encounter of Judaism and Christianity from both the Jewish and Christian sides and describes the rise of Jewish mystical literature the liturgical literature of the developing synagogue the nature of magical practices in classical Judaism and Jewish Folklore

The Documentary History of Judaism and Its Recent Interpreters Jacob Neusner, 2012-07-10 The result for the history of Judaism of a documentary reading of the Rabbinic canonical sources illustrates the working of that hypothesis It is the first major outcome of that

hypothesis but there are other implications and a variety of new problems emerge from time to time as the work proceeds In the recent past Neusner has continued to explore special problems of the documentary hypothesis of the Rabbinic canon At the same time Neusner notes others join in the discussion that have produced important and ambitious analyses of the thesis and its implications Here Neuser has collected some of the more ambitious ventures into the hypothesis and its current recapitulations Neusner begins with the article written by Professor William Scott Green for the Encyclopaedia Judaica second edition as Green places the documentary hypothesis into the context of Neusner s entire oeuvre Neuser then reproduces what he regards as the single most successful venture of the documentary hypothesis contrasting between the Mishnah s and the Talmuds programs for the social order of Israel the doctrines of economics politics and philosophy set forth in those documents respectively Then come the two foci of discourse Halakhah or normative law and Aggadah or normative theology Professors Bernard Jackson of the University of Manchester England and Mayer Gruber of Ben Gurion University of the Negev treat the Halakhic program that Neusner has devised and Kevin Edgecomb of the University of California Berkeley has produced a remarkable summary of the theological system Neusner discerns in the Aggadic documents Neusner concludes with a review of a book by a critic of the documentary hypothesis **School, Court, Public**

Administration Jacob Neusner,1987 Rabbis, Sorcerers, Kings, and Priests Jason Sion Mokhtarian,2021-11-02 examines the impact of the Persian Zoroastrian Empire on rabbinic identity and authority as expressed in the Babylonian Talmud

Three Questions of Formative Judaism Jacob Neusner,2021-10-01 The academic study of Judaism requires a systematic inquiry into the history literature and religion and eventually the theology as revealed in the historical documents themselves Under this premise Three Questions of Formative Judaism encounters the canonical writings of Judaism in the context of their creation at a certain time and place How something is said thus becomes as important as what is said Bringing nearly fifty years of research to bear on these fundamental questions Jacob Neusner challenges his readers to face the difficult often unasked or neglected questions about the nature background and purposes of Rabbinic Judaism and rewards them with an enriched understanding and a stronger foundation for tackling the even more elusive questions concerning the theology of formative Judaism This publication has also been published in paperback please click here for details *Water Into Wine*
