counterbalance to the current unworkable law this book proposes a more realistic way to achieve NCLB's inspiring vision by ensuring the right to meaningful educational opportunity for all students. This timely volume tackles specific provisions in NCLB head on such as the popular but impossible goal of 100% student proficiency by 2014. At last a book on No Child Left Behind that makes sense to school practitioners. All who care about the future of our public schools should read this book as soon as possible. Thomas Sobol, Former Commissioner of Education, New York State. *Moving Every Child Ahead* is an important work from two leaders in the fight to guarantee a decent education for every child. Rebell and Wolff have written a must read for everyone concerned about education reform. Senator John Edwards. Rebell and Wolff set forth compelling reasons for their recommendations and suggest specific steps that should be taken by local, state and federal education officials. Anyone who cares about improving our public schools would benefit from their thoughtful insights and suggestions for *Moving Every Child Ahead*. Richard Riley, Former U.S. Secretary of Education. Michael Rebell has long been a warrior in the fight for educational equity. I am confident this book will enrich a debate sorely in need of big ideas and a willingness to challenge traditional orthodoxies. WALL STREET JOURNAL BESTSELLER, USA TODAY BESTSELLER, PUBLISHER'S WEEKLY BESTSELLER, NEW YORK TIMES BESTSELLER. With a simple majority on the Supreme Court, the left would have the power to curtail or even abolish the freedoms that have made America a beacon to the world. We are one vote away from losing our most precious constitutional rights. As a Supreme Court clerk, solicitor general of Texas and private litigator, Ted Cruz played a key role in some of the most important legal cases of the past two decades. In *One Vote Away*, you will discover how often the high court decisions that affect your life have been decided by the narrowest of margins. One vote preserves your right to speak freely, to bear arms and to exercise your faith. One vote will determine whether your children enjoy their full inheritance as American citizens. God may endow us with certain unalienable rights, but whether we enjoy them depends on nine judges, the high priests who have the last say in our system of government. Drawing back the curtain of their temple, Senator Cruz reveals the struggles, arguments and strife that have shaped the fate of those rights. No one who reads *One Vote Away* can ever again take a single seat on the Supreme Court for granted. **Public Papers of the Presidents of the United States**
