The World's Greatest Religious Leaders Scott E. Hendrix,Uchenna Okeja,2018-03-01 This book provides reliable information about important world religious leaders correcting the misinformation that can be on the internet Religious leaders have shaped the course of history and deeply affected the lives of many individuals This book offers alphabetically arranged profiles of roughly 160 religious leaders from around the world and across time carefully chosen for their impact and importance and to maximize inclusiveness of faiths from around the world Scholars from around the world each one an expert in his or her field and all holding advanced degrees came together to create an essential resource for students and for those with an interest in religion and its history Every entry has been carefully edited in a two stage review process guaranteeing accuracy and readability throughout the work Not strictly a biographical reference that recounts the facts of religious figures lives the book helps users understand how the selected figures changed history The entries are accompanied by excerpts of primary source documents and suggestions for further reading while the book closes with a bibliography of essential print and electronic resources for further research The Parallax from Hell Douglas L. Laubach,2012-04-28 Is there no sympathy for the Devil Misunderstood and vilified by the worlds major religions Satan has decided to strike back at his accusers In his own words Satan makes the case that he is only carrying out Gods commands and that he is unjustly blamed for the woes of the world Simultaneously controversial and entertaining *The Parallax from Hell* delivers a new perspective of religious doctrine from the point of view of Gods fallen angel Satan Aided by his unwitting accomplice Satan examines the tenants of the major organized religions giving first a generic summary of their respective beliefs and then following up with his own very different slant To take care of the credibility problem he even footnotes his

sources for skeptics Tongue in cheek at times Satan makes his case and then enlists his minions in Hell to contribute short essays and commentary The result is a comprehensive analysis that covers not only religion but history theology science and philosophy Wry and engaging Satans observations challenge you to think critically about your religiously held assumptions as well as the beliefs of other organized religions Definitely not your ordinary theological critique The Parallax from Hell seeks to serve as an unorthodox vehicle for opening hearts and minds **Among the Scientologists** Donald A. Westbrook,2019 The Church of Scientology is one of the most recognizable American born new religions but perhaps the least understood With academic and popular interest on the rise many books have been written about Scientology and surely more will follow Although academics have begun to pay more attention to Scientology the subject has received remarkably little qualitative attention Indeed no work has systematically addressed such questions as what do Scientologists themselves have to say about their religion s history theology and practices How does Scientology act as a religion for them What does lived religion look like for a Scientologist This is not so much a book about the Church of Scientology its leaders or its controversies as it is a compilation of narratives and histories based on the largely unheard or ignored perspectives of Scientologists themselves Drawing on six years of interviews fieldwork and research conducted among members of the Church of Scientology this groundbreaking work examines features of the new religion s history theology and praxis in ways that move discussion beyond apostate driven and expos accounts Handbook of UFO Religions ,2021-03-08 The Handbook of UFO Religions edited by esteemed scholar of new religions Benjamin E Zeller offers the most expansive and detailed study of the persistent popular and global phenomenon of religious engagements with ideas about extraterrestrial life The present work considers not only new religions founded on ideas about extraterrestrials and UFOs but how those within more mainstream religions have responded to the science scientific speculation and popular culture involving extraterrestrials UFOs and related concepts Global in reach it includes chapters considering South and East Asia Europe and North and South America and draws on several interdisciplinary methods In addition the handbook traces connections between UFO religiosity and cultural patterns such as science and scientism esoterism and occultism millennialism and popular culture *The Sacred in a Secular Age* Phillip E. Hammond,2023-11-15 This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1985 **Communicating with Spirit** Carl Llewellyn Weschcke,Joe H. Slate,2015-08-08 Bring Your Unconscious Powers into the Conscious Mind and Make a Life of Greater Success and Happiness Master the Tools of Psychic Empowerment and Self Knowledge Become more than you are Spiritual communication is no longer a passive state of waiting to hear the spirits speak through a medium or channel Discover how to manifest an active state of consciousness and create direct communication with specific spirits and spiritual

entities This is a do it yourself book personal and individual so you no longer have to depend on groups and institutions for power or authority With clear and precise instructions Communicating with Spirit shows you how to return Spirit to your inner self open the doors to communication at the spiritual levels and extend perception from material limitations toward the inclusiveness of higher dimensional awareness Explore yourself and the world of spirit the answers come from within

Science Fiction Language in Action Jennifer Kelso Farrell, 2025-09-04 In this book Jennifer Kelso Farrell investigates the way in which L Ron Hubbard used his background in science fiction to create a language for his religion that served to gatekeep outsiders out and insulate insiders Examining the works of science fiction authors such as George Orwell Aldous Huxley Anthony Burgess and Samuel Delany Farrell explores the relationship between language and reality and the role language can play in reprogramming individuals The author also draws upon high profile biographies from former members such as Troublemaker Surviving Hollywood and Scientology and My Billion Year Contract to display how indoctrination into such language often causes a language barrier between those within Scientology and those outside of it thus further isolating members and perpetuating Scientologese within their inner circle Bridging the gap between fiction and reality Farrell illustrates how this language came to be and

how it continues to persist today **Extraordinary Groups** Richard T. Schaefer, William W. Zellner, 2007-05-18 This updated text takes an interdisciplinary look at eight extraordinary groups of people throughout American history Each chapter is organized around a sociological principle which is then illustrated by a descriptive explanation of the lifestyles of these unique groups **The Gnostic World** Garry W. Trompf, Gunner B. Mikkelsen, Jay Johnston, 2018-10-03 The Gnostic World is an outstanding guide to Gnosticism written by a distinguished international team of experts to explore Gnostic movements from the distant past until today These themes are examined across sixty seven chapters in a variety of contexts from the ancient pre Christian to the contemporary The volume considers the intersection of Gnosticism with Jewish Christian Islamic and Indic practices and beliefs and also with new religious movements such as Theosophy Scientology Western Sufism and the Nation of Islam This comprehensive handbook will be an invaluable resource for religious studies students scholars and researchers of Gnostic doctrine and history New Religions and the Theological Imagination in America Mary Farrell Bednarowski, 1989-11-22 Bednarowski is especially good at elucidating the theological daring of these new American religions She demonstrates in a very few pages how theology and group adherence made the individual count a configuration simultaneously American un American and important Jon Butler The cultural confrontation with these new religions is very real and usually very misinformed Bednarowski has gone to great lengths to dispel the ignorance The Christian Century A groundbreaking study Syzygy Journal of Alternative Religion and Culture Organized as a series of theological conversations about ultimate questions this book offers a guide to the answers these six religions offer Drawing heavily on sources from the movements themselves it presents a balanced comparative account of the emerging theological systems of America s new religions
