Scoring In The Red Zone How To Lead Successfully When The Pressure Is On:

Scoring in the Red Zone Spencer Tillman, 2005-09-06 The Red Zone The last 20 yards from the opponent's goal line. It's difficult to score there because the defending team can concentrate its efforts. Likewise, the offensive team has less area in which to maneuver. It takes the focused and precise execution of all players doing their assigned tasks to advance the ball in the Red Zone and score. In business and in every other area of life, we encounter many Red Zones situations where the pressure is on and our wiggle room is limited. It's there where we have to draw on preparation, experience, and strength of character if we hope to reach our objective. We need a solid game plan, and that's exactly what **Scoring in the Red Zone** provides. Through personal anecdotes, illustrations from sports, and timeless wisdom, Spencer Tillman challenges you and your team to win when the pressure is on.

Scoring in the Red Zone, 2015-06-01 Cultural and moral diffusion has occurred at a rapid pace, placing more of us in what Spencer Tillman calls Red Zones. Those places where 1. the need to achieve objectives are immediate, 2. the obstacles between you and the objectives are formidable, 3. the options available are limited, and 4. time is running out.
