Scottish Golf Links A Photographers Journey:

Scottish Golf Links ,2004-09-29 Lowe takes us along the rugged eastern coast from St Andrews up to Montrose and Cruden Bay and Royal Aberdeen from heather whin and sand to points north to Nairn and Dornoch Then to the west coast to Prestwick and Troon It s not only the courses themselves that Lowe illuminates along the way but the winding roads the ancient villages the farms and whiskey distilleries and the people who call this land their home as well Each step of his pilgrimage is given its due Play Away Please John P. Hagen,2011-01-25 The St Andrews Old Course Starter s Box was sold in a controversial international auction on 10 September 2001 the day before the infamy of the Twin Towers attack Play Away Please recounts the glory of the little building in St Andrews the home of golf and tells the tale of those who used its services for 77 continuous years Unlike many epics the story does not centre on a rich dynasty or a heroic quest for the truth Instead it centres on the production of the perfect round of golf and the global marketing of the Box one of the most celebrated buildings in the world of sport as a brand and an icon The book also chronicles the suspense and notoriety that greeted the Box after its voyage from Scotland to California by way of the Panama Canal and the role it assumed as an emotional balm for many in the aftermath of the 11 September atrocity Alas nothing is as simple as it seems and miracles are rare The businessman who bought the Box was imprisoned before it reached Los Angeles accused of stealing millions from the real estate development that was to be its home Eight years later a happy ending was finally brought about but only after a healthy dose of gut wrenching fear and suspense became a part of the story Supplemented with exclusive photographs Play Away Please is also a personal story of patronage and odyssey to assure the Box s preservation as the sporting world s consummate symbol of integrity and fair play Along the way the author brings to life the unforgettable local characters of Fife celebrating their customs lifestyle and unique command of the English language **The Scottish Golf Book** Malcolm Campbell,Glyn Satterley,1999-11-01 Golf is a Scottish game It has been played by the Scots for centuries and Scotland is its spiritual and cultural home This is a book devoted to one nation s devotion to a game of stick and ball which today casts its enchantment over the entire world The beginnings of golf and its early development are shrouded in mystery and are part fact and part fable The Scottish Golf Book separates one from the other as it traces the early history of golf to the multimillion dollar worldwide obsession it has become today Images from the earliest days of Scottish photography recall titanic battles between the early superstars of the game while the modern lens takes the reader on a spectacular and magical journey around the historic the classic and the hidden treasures of Scotland s finest courses DK Eyewitness Travel Guide: Scotland Alastair Scott,Juliet Clough,2012-04-02 DK Eyewitness Scotland travel guide will lead you straight to the best attractions this wild country has to offer Packed with photographs illustrations and detailed maps discover Scotland region by region from the culturally diverse and architecturally magnificent Glasgow to the peerless beauty of the highlands The guide provides all the insider tips every visitor needs from where to walk with Reindeers to how to tread the Malt whisky trail
