Mike De Socio

Scouts Honor Sexual Abuse In Americas Most Trusted Institution:

Scout's Honor Patrick Boyle, 1994 No criminal in American society is more despised than the man who has sex with children This is his story He offends us but it s time to listen Hardly a week goes by without news of yet another respected adult Scoutmaster teacher priest or pop singer accused of child molesting Into this uproar steps Scout s Honor which systematically examines the history of sexual abuse in America s most revered youth group and tells us what we should know about men whose desires seem too bizarre to understand Through a computer analysis of nearly 2000 previously secret files on child abusing Scout leaders through interviews with molesters victims investigators and top Scout officials and by digging through court records and 80 year old Scout documents author Patrick Boyle traces sexual abuse from Scouting s roots to today s headlines BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved

Invisible Victims and the Pursuit of Justice: Analyzing Frequently Victimized Yet Rarely Discussed Populations Blasdell, Raleigh, Krieger-Sample, Laura, Kilburn, Michelle, 2021-06-18 Victims of crime may experience a wide variety of traumas that result in physical sexual financial psychological emotional and or social consequences While the types of trauma can vary greatly and include lesser known forms such as vicarious and secondary trauma identifying and recognizing victims can be complicated Throughout this book experts and professionals from academia and the fields of criminal justice social work and mental health acknowledge victims historically overlooked by society political movements the media and or the criminal justice system we acknowledge the invisible victims Invisible Victims and the Pursuit of Justice Analyzing Frequently Victimized Yet Rarely Discussed Populations pioneers the assertion that our view of victims needs to be more inclusive by exploring invisible victims that are rarely if ever a focus of discussions in traditional victimology textbooks To educate the reader and begin working toward positive change each chapter identifies an invisible victim and provides the background controversies issues solutions and areas of future research It is crucial to identify these gaps in the field as some of the most victimized populations remain absent from important dialogue on crime victims This book is appropriate for a wide range of readership including but not limited to criminologists victim service providers psychologists sociologists social workers advocate groups law enforcement lawyers defense attorneys criminal justice practitioners academicians researchers and students studying criminology criminal justice victimology social work psychology and social justice On My Honor Jay Mechling, 2004-03-01 In a timely contribution to current debates over the psychology of boys and the construction of their social lives On My Honor explores the folk customs of adolescent males in the Boy Scouts of America during a summer encampment in California s Sierra Nevada Drawing on more than twenty years of research and extensive visits and interviews with members of the troop Mechling uncovers the key rituals and play events through which the Boy Scouts shapes boys into men He describes the campfire songs initiation rites games and activities that are used to mold the Scouts into responsible adults The themes of honor and character alternate in this new study as we witness troop leaders offering

examples in structure discipline and guidance and teaching scouts the difficult balance between freedom and self control What results is a probing look into the inner lives of boys in our culture and their rocky transition into manhood On My Honor provides a provocative sometimes shocking glimpse into the sexual awakening and moral development of young men coming to grips with their nascent desires their innate aggressions their inclination toward peer pressure and violence and their social acculturation On My Honor ultimately shows how the Boy Scouts of America continues to edify and mentor young men against the backdrop of controversies over freedom of religious expression homosexuality and the proposed inclusion of female members While the organization s bureaucracy has taken an unyielding stance against gay men and atheists real live Scouts are often more open to plurality than we might assume In their embrace of tolerance acceptance and understanding troop leaders at the local level have the power to shape boys into emotionally mature men Get Off My Honor! Hans Zeiger,2005 A Boy Scout defends the honor of the stalwart organization from the cultural onslaught threatening it **On My Honor** Kim Christensen,2025-02-11 From a Pulitzer Prize winning journalist the shocking rise and fall of an American institution Since its founding in 1910 the Boy Scouts of America has been the nation s premier youth organization espousing self reliance and honor More than 100 million Americans have been Boy Scouts from Bill Gates to Martin Luther King Jr Today however Scouting faces an existential threat of its own making more than 82 000 former Scouts have filed claims alleging they were sexually abused seven times the number of similar allegations that rocked the Catholic Church two decades ago On My Honor untangles the full story of the Boy Scouts of America tracking its creation growth influence and the massive generational trauma it has caused Using the iconic institution to tell a story of American values over the last century the book grapples with America s changing understanding of what it means to make men This riveting story of power and abuse religion and politics scandal and justice is brought to life by groundbreaking research and an unforgettable cast of characters **Morally Straight** Mike De Socio,2024-06-04 This deeply reported narrative illuminates the battle for LGBTQ inclusion in the Boy Scouts of America a decades long struggle led by teenagers parents activists and everyday Americans Weaving in his own experience as a scout and journalist Mike De Socio s Morally Straight tells a story that plays out over the course of nearly forty years beginning in an era when gay rights were little more than a cultural sideshow when same sex marriage was not even on the radar and when much of the country was recommitting to conservative social mores It was during this treacherous time that accidental activists emerged challenging one of America s most iconic institutions in a struggle that would forever change the country s view of gay people and the rights they held in society In Morally Straight we meet James Dale the poster child of Scouting who took his fight for inclusion to the Supreme Court Steven Cozza the 12 year old scout in California who started a movement for inclusion called Scouting for All Jennifer Tyrrell the lesbian den mother whose expulsion from the Scouts reignited the gay membership controversy Zach Wahls the son of lesbian moms who led the final push for policy change and an array of other previously unknown Scouters who played smaller but no less crucial

roles in the fight for full inclusion Richly reported and filled with unforgettable people Morally Straight braids together these characters and brings to life their collective struggle This is an essential narrative in the American LGBTQ rights movement and a truly American story about the fight for a better future for our nation s bedrock youth organization **International Perspectives on the Assessment and Treatment of Sexual Offenders** Douglas P. Boer, Dr Reinhard Eher, Leam A. Craig, Michael H. Miner, Friedemann Pfäfflin, 2015-06-22 International Perspectives on the Assessment and Treatment of Sexual Offenders Theory Practice and Research provides the first truly global perspective on the assessment and treatment of sex offenders Presents a comprehensive overview of current theories and practices relating to the assessment and treatment of sex offenders throughout the world including the US Europe and Australasia Covers all the major developments in the areas of risk assessment treatment and management Includes chapters written by internationally respected practitioners and researchers experienced in working with sexual offenders such as Bill Marshall Ruth Mann Karl Hanson and Jayson Ware *Our Frontier Is the World* Mischa Honeck, 2018-05-15 Mischa Honeck s *Our Frontier Is the World* is a provocative account of how the Boy Scouts echoed and enabled American global expansion in the twentieth century The Boy Scouts of America BSA has long been a standard bearer for national identity The Sex Crimes and Sex Offenders Donna Vandiver, Jeremy Braithwaite, 2016-12-08 Sex Crimes and Sex Offenders Research and Realities provides an overview of social scientific theory and research on sex crimes and sex offenders Most other books on the market are focused on a single issue such as treatment rape pedophilia theory etc This book is unique in that it covers the most current theory and research along with individual cases of sex crimes e g Kobe Bryant Jerry Sandusky and other case studies effectively linking theory and research with the realities of sex crimes and sex offenders as well as their victims Vandiver Braithwaite and Stafford are careful to dispel myths and to focus on the heterogeneity of sex crimes and sex offenders and not on any one issue or population or theory Instead they weave a framework using a full range of theoretical concepts and research data to integrate their discussions of crimes offenders victims treatments and policy implications The result is a valuable resource for students and early stage researchers investigating sex crimes or offenders *Pedophiles and Priests* Philip Jenkins, 2001-08-30 If we can believe the six o clock news there has been an epidemic of sexual abuse among the clergy and especially among the Roman Catholic clergy This study looks at the entire history of this mushrooming scandal from the first rumblings to the explosion of headlines Provided by publisher *Understanding Child Sexual Abuse* Edward L. Rowan, 2009-09-18 The number of confirmed cases of child sexual abuse in the United States rose from 6 000 in 1976 to 113 000 in 1985 and rose again to 300 000 in 2000 Understanding Child Sexual Abuse explores the dynamics effects treatment options and preventive measures available to both the children and the adults involved in child sexual abuse Chapters provide emphasis and guidance on seeking counseling pathways for victims to seek renewed healthy and productive lives options available for rehabilitating abusers personality traits common to abusers victim responses to the trauma of abuse

outlines of work now underway to understand neurobiological aspects of disorders that may lead to abuse appropriate treatments for victims and offenders and an overview of recommended books websites and other resources for further reading

Brother Tony's Boys Mike Echols, 2009-09-25 For over 25 years charismatic Pentecostal evangelist Brother Tony Leyva used Christianity the Bible and his status as a prophet of God to gain access to seduce and sexually assault the young sons of his enthralled followers in 23 states Echols strips bare the world of Pentecostals to reveal how impassioned faith and devotion to the anointed ones blinded parents to the evil in their midst

Organizational Betrayal Charol Shakeshaft, 2024-10-23 A path to safety for protecting students from educator sexual misconduct based on lessons learned from decades of past case

Death of an Altar Boy E.J. Fleming, 2018-04-20 The tragic death of 13 year old Danny Croteau in 1972 faded from headlines and memories for 20 years until the Boston abuse scandal a string of assaults within the Catholic Church exploded in the early 2000s Despite numerous indications including 40 claims of sexual misconduct with minors pointing to him as Croteau's killer the Reverend Richard R Lavigne remains innocent Drawing on more than 10 000 pages of police and court records and interviews with Danny's friends and family fellow abuse victims and church officials the author uncovers the truth church complicity in a cover up and the masking of priests involvement in a ring of abusive clergy behind Croteau's death and those who had a hand in it

Sex Crimes Donna Vandiver, Jeremy Braithwaite, 2022-04-11 Sex Crimes Research and Realities 2nd edition provides succinct overviews and details of the research regarding sex crimes and the persons who commit them dispelling common myths related to sex crimes that have been contradicted in the scientific literature in recent decades Throughout the book survivors of sexual violence are highlighted including those who have engaged in activism leading to positive changes for victims of sexual violence or came forward with their stories of sexual victimization despite being told nothing can be done The book begins with a broad overview of the number and types of sex crimes that occur annually then outlines several theories developed to explain sex crimes specifically along with descriptions of popular criminological theories that have been applied to persons who have committed a sex crime The next several chapters provide details regarding different types of sex crimes Subsequently the authors provide an overview of juveniles and females who commit sex crimes and of sex crimes that occur within an institution such as college campuses and sports or youth organizations New to this edition is a chapter that focuses on victims of sex crimes and the victimology of sexual violence Attention is given to the nuances of investigating sex crimes and policies such as registration and civil commitment laws affecting persons who have committed a sex crime The conclusion provides an overview of the myths regarding sex crimes and the persons who commit them again with a summary of what research has unveiled while highlighting areas of recommended future research This book is suitable for an undergraduate or graduate level course for a variety of social science fields It is invaluable for treatment providers law enforcement officers detectives or policy makers

Adventure Therapy Michael A. Gass, H.L. "Lee" Gillis, Keith C. Russell, 2012-04-27 The

evolution and history of adventure therapy as chronicled in the second chapter of this book well demonstrates how far this field has evolved from a divergent therapy into an efficacious form of therapy that engages clients on cognitive affective and behavioral levels Adventure Therapy is written by three professionals who have been at the forefront of the field since its infancy The theory techniques research and case studies they present are the cutting edge of this field The authors focus on the theory substantiating adventure therapy illustrations that exemplify best practices the research validating the immediate as well as long term effects of adventure therapy when properly conducted This book is the leading academic text professional reference and training resource for adventure therapy practices in the field of mental health It is appropriate for a wide range of audiences including beginner and experienced therapists as well as graduate students *Scout's Honor* Peter Applebome,2004-05 Peter Applebome self proclaimed committed indoorsman chronicles the experiences he had after agreeing to help with his son s scouting troop Scout Camp James Renner,2025-02-25 In this timely and deeply personal true crime memoir acclaimed journalist author creator of the True Crime This Week podcast and former Boy Scout James Renner explores the dark side of an American institution its pervasive culture of sexual abuse and the traumatic even deadly repercussions of its long buried secrets In the summer of 1995 at the largest Boy Scout camp in Ohio a night of sexual violence ended with one counselor dead and another hospitalized The death was ruled accidental It wouldn t be the last death associated with Seven Ranges Reservation James Renner too was a counselor at Seven Ranges that year He was always sure there must be more to the story of Mike Klingler s death because Renner also knew firsthand that the 900 acre camp was not the safe getaway it was portrayed to be On Friday nights the boys were ushered into the woods for a frightening ceremony in which they learned the rules for becoming good young men and above all that keeping secrets was a scout s duty No matter how dark the secrets were Determined to face his demons Renner embarks on a journey back to that tumultuous summer and exposes a clandestine society that left indelible scars on the scouts and the staff who were there For Renner himself it meant opening up about his twisted upbringing his issues with trust and sexuality and a lifetime of self medication The result is a deeply personal no holds barred and vitally important true crime memoir *The Victimization and Exploitation of Women and Children* Ronald B. Flowers,1994-01-01 The means by which women and children are most often subjected to victimization are discussed here along with the causes and the legal avenues available Part One examines family issues including child abuse domestic violence and missing or abducted children and Part Two examines their sexual exploitation Part Three explores violent crimes against children e g murder rape and assault while Part Four is a study of violence against women Prostitution pornography sexual harassment and stalking are the subjects of Part Five Finally legislative responses are studied in Part Six Child Sexual Abuse and the Catholic Church Marie Keenan,2013-07-18 A meticulously researched inside look at child sexual abuse by clergy this exhaustive hard hitting analysis weaves together interviews with abusive priests and church historical and administrative details to propose a new way of thinking about

clerical sexual offenders Linking the personal and the institutional researcher and therapist Marie Keenan locates the problem of child sexual abuse not exclusively in individual pathology but also within larger systemic factors such as the very institution of priesthood itself the Catholic take on sexuality clerical culture power relations governance structures of the Catholic Church the process of formation for priesthood and religious life and the complex manner in which these factors coalesce to create serious institutional risks for boundary violations including child sexual abuse Keenan draws on the priests own words not to excuse their horrific crimes but to offer the first in depth account of a tragic multi faceted phenomenon What emerges is a troubling portrait of a Church in crisis and a series of recommendations that call for nothing less than a new ecclesiology and a new more critical theology Only through radical institutional reform Keenan argues can a more representative and accountable Church emerge Child Sexual Abuse and the Catholic Church is a unique reference for scholars of the Church and therapists who work with both victims and offenders as well as a forward thinking blueprint for reform
