## **Screaming For Attention True Stories About The Puzzle Of Human Behaviour:**

*Screaming for Attention* Chris Arnold, 2003 This book is a collection of true stories told by Chris Arnold a behavioural consultant who works with people with developmental disabilities Each story is unique and shows how people labelled with inappropriate problematic or even psychotic behaviour may actually have very valid reasons for behaving the way they do Each story tells how the author worked through the challenging behaviours to find the true motivation or meaning for that individual and as a result assist that person to change their behaviour for the better Some of the stories are humorous some are sad but most will cause the reader to stop and re evaluate the way that they look at people with behaviour problems The stories may even provide the reader with ideas for helping them deal with challenging behaviour in someone they know or love The underlying theme of the book is respect for people that behave or communicate differently from us Recognizing that labelling people using negative approaches or isolating them because of the way they behave is not a solution Instead we must truly look at the motivations for people s behaviour in order to truly understand them This book also contains a very valuable useful resources section that lists some excellent publications and websites on the topic of Non Aversive Behaviour Management Crisis Intervention and Persons with Developmental Disabilities **Bulletin of the Atomic Scientists**
