Screwball Comedy Wes D. Gehring, 1986-02-21 *The Screwball Comedy Films* Duane Byrge, Robert Milton Miller, 1991 My Man Godfrey Four's a Crowd My Favorite Wife The Devil and Miss Jones for their inspired blend of slapstick humor with casual elegance and witty repartee these movies are examples of what became known as screwball comedies This study focuses on the genre film by film year by year providing the film enthusiast or serious researcher with an informed guide to the screen offerings of the era Each of the major contributors is profiled from directors such as Capra Hawks McCarey or LaCava to writers Hecht Krasna Wilder and others to the inspired lunacy of performers Grant Lombard Dunne or MacMurray The large filmography covers more than 50 films appearing chronologically and gives title studio date time director producer writers source photography cast plot description and background notes *Screwball* Ed Sikov, 1989 *Screwball* is the first richly illustrated tribute to the movies that tells one mad illogical truth Mutual loathing is no reason to give up on love More than 240 pictures in striking duotone celebrate these exhilarating comedies Romantic vs. Screwball Comedy Wes D. Gehring, 2002-10-16 Famous co stars such as Katharine Hepburn and Cary Grant to Tom Hanks and Meg Ryan have made screwball and romantic comedies a big seller at the box office These seemingly timeless genres are as popular today as ever This book takes a closer look at the precise meanings of the terms screwball and romantic Film fans and scholars alike tend to lump film with laughter and love under a screwball romantic umbrella and use the terms screwball and romantic interchangeably In reality there is a distinction the screwball variety places its emphasis on funny while the more traditional romantic comedy accents love Covering over 60 titles each of romantic and screwball comedy dating from the 1930s to the present this research tool not only demonstrates how screwball and romantic comedy are two distinct genres but also highlights pivotal social and artistic changes which impacted both genres Includes 24 black and white movie stills countless quotations from selected films an annotated bibliography and a two part filmography Not only an informative resource for film students and scholars but also an interesting read for film buffs Screwball Comedy and Film Noir Thomas C. Renzi, 2012-01-27 This is a comprehensive comparative analysis of the screwball comedy and film noir genres two popular Hollywood staples that emerged around the same time Despite their contrast in tone and theme Screwball and Noir have many narrative elements in common The author defines the two genres discusses their historical development and inter related conventions and offers detailed comparative analyses of a number of films among them *The Lady Eve* and *His Girl Friday* screwballs and *Gilda* and *Sunset Blvd* noirs Hollywood Screwball Comedy 1934-1945 Grégoire Halbout, 2022-01-13 A 2022 CHOICE Outstanding Academic Title Love at first sight whirlwind marriages break ups divorces remarriage What accounts for the enduring success of the Hollywood madcap comedies of the 1930s Directed by masters of comedy Hawks LaCava Leisen Ruggles and featuring the decade's most iconic stars Colbert Dunne Grant Hepburn these films set romantic comedy standards for decades to come Screwball comedy embarked on two challenging missions to poke

fun at established social norms and to undermine stereotypical depictions of gender roles putting forward a discourse that postulated the possibility of equality between men and women Gr goire Halbout s reexamination of screwball comedy provides a comprehensive overview of this sub genre eschewing the auteurist approach and including minor works never before analyzed through the screwball lens His book explains how these screwball stories met the expectations of a booming American middle class eager for the liberalization of morals with daring plots verbal humor and slapstick techniques Building on the work of Cavell Altman and Gehring as well as international and French scholarship Halbout s investigation unfolds in three parts He first establishes a definition of Hollywood screwball comedy through a cross sectional analysis of its socio historical context and an in depth examination of the genre He then situates screwball comedy in relation to its institutional context An exclusive study of archival material explains the emergence of a screwball aesthetic meant to subvert the prohibitions of the 1934 Hollywood Production Code through a verbal and visual rhetoric of diversion and mitigation Finally Halbout explores the social function of the genre s placement of romantic intimacy at the center of the public sphere and the democratic debate confirming that screwball eccentricity upholds America s founding values freedom of speech free consent and contractual engagement

Bringing Up Baby Peter Swaab,2019-07-25

Bringing Up Baby directed by Howard Hawks in 1938 is one of the greatest screwball comedies and a treasure from the Golden Age of Hollywood Cary Grant plays a naive and repressed palaeosaurologist who becomes entangled with and ensnared by a wilful heiress Katharine Hepburn Chaos ensues as romance blossoms and not one but two leopards are set loose in verdant Connecticut All of Hawks s signature skills are to the fore there is the wonderful ensemble cast the characteristically refined but unselfconscious visual style an endless succession of pratfalls innuendo and jokes written by Dudley Nichols and Hagar Wilde and underneath the chaos and good cheer a serious dream of escaping life s troubles by dint of nothing more or less than nerve and luck There are no human babies in *Bringing Up Baby* but there are those leopards and the relentless terrier George and as Peter Swaab explores in his witty and original study Hawks s film wonders profoundly why we want animals in our lives and why we sometimes need to behave as animals ourselves Many screwball films have been seen as comedies of remarriage but Peter Swaab argues that this one is not much interested in marriage and is instead more captivated by instinct irresponsibility and the wild

abnormalities of romance The film is in its way an American dream of independence and believes the real way to get on in life for film makers as well as scientists isn't by deference and respectability but by having sexy fun with the right people A thoroughly American fiction of the 1930s *Bringing Up Baby* is also a timelessly classical comic narrative exploring conflicts between civilisation and nature rationality and insanity middle class inhibitions and aristocratic blitheness And it is the epitome of film comedy an anthology of comic types and devices and one of the most seductively funny films ever made

Hollywood Bedlam William K. Everson, 1994 Film Genre Reader IV Barry Keith Grant, 2012-12-01 From reviews of the third edition *Film Genre Reader III* lives up to the high expectations set by its predecessors providing an accessible and relatively comprehensive look at genre studies The anthology's consideration of the advantages and challenges of genre studies as well as its inclusion of various film genres and methodological approaches presents a pedagogically useful overview Scope Since 1986 *Film Genre Reader* has been the standard reference and classroom text for the study of genre in film with more than 25 000 copies sold Barry Keith Grant has again revised and updated the book to reflect the most recent developments in genre study This fourth edition adds new essays on genre definition and cycles action movies science fiction and heritage films along with a comprehensive and updated bibliography The volume includes more than thirty essays by some of film's most distinguished critics and scholars of popular cinema including Charles Ram rez Berg John G Cawelti Celestino Deleyto David Desser Thomas Elsaesser Steve Neale Thomas Schatz Paul Schrader Vivian Sobchack Janet Staiger Linda Williams and Robin Wood Bringing Up Baby Howard Hawks, 1988 *Bringing Up Baby* 1938 is the essence of thirties screwball comedy It is also quintessential Howard Hawks treating many of the director's favorite themes particularly the loving war between the sexes *Bringing Up Baby* features Katharine Hepburn as a flaky heiress and Cary Grant as an absentminded paleontologist roles in which they come into their own as stars and deliver particularly fine comic performances Pauline Kael has called the film the American movie's closest equivalent to Restoration comedy The comparison is based on the quick repartee and witty dialogue a hallmark of Hawks's work and well conveyed here by Gerald Mast's transcription from the screen **Library of Congress Subject Headings** Library of Congress, Library of Congress.
