Wegner,2006 The Bible has been on a long historical journey since its original composition Its texts have been copied and recopied And despite the most careful and painstaking efforts of scribes and publishers down through the centuries errors of one sort or another have crept in and have been reproduced Sorting out the errors and determining the original wording is the task of textual criticism In fact the task of textual criticism is so daunting and detailed that it is divided between Old Testament textual critics and New Testament textual critics That is why nearly every book on the subject focu *American Book Publishing Record* ,1990 New Testament Textual Criticism David Alan Black,1994-04 A concise companion to Ellis Brotzman s Old Testament Textual Criticism Introduces students to the process of comparing Greek texts and seeking the original wording **A Guide to the Textual Criticism of the New Testament** Edward Miller,1979 **A Guide to the Textual Criticism of the New Testament** Edward Miller,1886

changes in the popular new versions that dilute the Scriptures The Last Twelve Verses According to the Gospel of Mark shows that over 2 000 manuscripts and as many Greek lectionaries contain these verses without any brackets or doubting footnotes Did you know that except for the NKJV MKJV LITV the nine other major new versions have bracketed the last 12 verses of Mark or in a footnote indicated that they do not believe they are authentic WHY It s a mystery There are only three 3 Greek manuscripts that do not have these verses And in 200 pages of proofs Burgon shows that those two are so edited at the place where these verses belong that anyone can see the scribes were looking at these verses in the older mss they were copying As Dr Gordon H Clark wrote If a version brackets these verses then you know that they are not going by the evidence The Revision Revised is a Critique of the English Revised Version of 1881 with additional applications to the Modern Translations There is an excellent critique of the Westcott and Hort textual theories Proof of the Genuineness of God Manifested in the Flesh contains an unanswered and unanswerable defense of 1 Timothy 3 16 The Woman Taken In Adultery gives a defense of the authenticity of John 7 53 8 11 Conflation and The Neutral Text by Edward Miller M A gives an additional critique of Dr Hort s theories Get this volume and arm yourself to fight for the God breathed words that God has preserved for you that you might have life and faith Every one of His words are precious We need not give up thousands of them
