the way to writing a sermon For personal devotional reading In the days leading up to the next service you can read the short introductions and the relevant Bible passages as a personal devotion that will help you engage with the readings and sermon during worship If you can't be at the service treat the short introductions and Bible readings as your own time of worship In your church's weekly news bulletin Churches are welcome to include the short introductions in their weekly parish news bulletins Please credit them as shown on the copyright page Using the Scripture Index The Scripture Index shows all the occasions on which a Bible reading occurs in this book For ease of reference the index is sorted alphabetically by the name of the book of the Bible rather than the order in which the books appear in the Bible Notes on the contents of this book

Psalms This book does not include readings from the Psalms Some congregations include in their liturgy the Psalms set in the lectionary Others use different Psalms that they think better fit with the themes of worship for the day Also congregations if they sing or chant them often repeat the same Psalm for 2-3 weeks so that people become acquainted with them Some churches don't use Psalms at all
