Davison,1920 **The Names Heard Long Ago** Jonathan Wilson,2019-09-17 The story of the vibrant and revolutionary soccer culture in Hungary that on the eve of World War II redefined the modern game and launched a new era In the early 1950s the Hungarian side was unbeatable winning the Olympic gold and thrashing England in the Match of the Century Their legendary forward Ferenc Pusk s was one of the game s first international superstars But as Jonathan Wilson reveals in The Names Heard Long Ago this celebrated era was in fact the final act of the true golden age of Hungarian soccer In Budapest in the 1920s and 1930s a new school of soccer emerged that became one of the most influential in the game s history shaped by brilliant players and coaches who brought mathematical rigor and imagination to the style of play But with the onset of World War II many were forced into exile fleeing anti-Semitism and the rise of fascism Yet their legacy endured Against the

backdrop of economic and political turmoil between the wars and in spite of extraordinary odds Hungary taught the world to play The Tombstone in Israel's Military Cemetery since 1948 Yossi Katz,2014-06-18 Military cemeteries are one of the most prominent cultural landscapes of Israel Their story reflects largely the main social processes that Israeli society has been undergoing since the War of Independence 1948 until today Until the end of the 1970s the military tombstones and their surroundings were uniform and equal according to rules set by the State However since the 1980s families of the fallen soldiers started to add on the tombstone personal expressions as well as personal objects photographs military artifacts etc Thus the military tombstone and the Israeli military cemetery became one of the expressions of the dramatic transformation from a society which emphasized the importance of the collective to a society which intensifies the significance of the individual The book is based on many archival documents as well as interviews and photographs all of which shed light on one of the most sensitive issues in Israeli society and express its importance as a central component of Israeli identity

And On and On the Ages Roll J. H. Bavinck, 2019-07-30

Scripture testifies that in the work of Jesus Christ the power of Satan sin and death has been broken Yet on and on the ages roll and wars rage humans destroy one another and themselves and natural evils such as earthquakes and tsunamis occur We seem to suffer what J H Bavinck calls the great delay still awaiting Christ's final victory In this illuminating survey of the book of Revelation Bavinck examines the status of the church and the world in the times of the end but before the final finish Bavinck suggests the church is based on its mission to show the way of God and share his good news in the world This mission occurs in a world claimed by Christ's victory but still marked by the demonic and human hubris Revelation is a literature that discloses the church's perennial challenges in a time claimed and won by Christ yet still resistant to his lordship The book peels back the veil to expose a battle not only on earth but in the heavens and assures the sometimes faltering church that it is not forgotten and Christ's victory is certain Bavinck centers his account of Revelation in its chapter 12 the strange woman who is crowned and yet haunted and hunted driven to the edge of civilization He sees in this woman the bearer of a child a figure of the church that bears its child and Lord Jesus Christ Like the woman the church in these times between the times is both crowned as God's royalty and often scorned by the world
