Long Road To Dakota:

The Dakotas Off the Beaten Path® Lisa Meyers McClintick, 2015-05-01 Tired of the same old tourist traps Whether you're a visitor or a local looking for something different let The Dakotas Off the Beaten Path show you a side of North and South Dakota you never knew existed See the house Pa built during the annual Laura Ingalls Wilder Pageant in De Smet South Dakota Excavate mammoth bones in the Black Hills or spelunk in some of the world's largest caves Dance to Norwegian fiddles at North America's largest Scandinavian festival or lose yourself in the brilliant splendor of a powwow So if you've been there done that one too many times get off the main road and venture Off the Beaten Path *The Dakotas Off the Beaten Path®*, 2020-10-01 Tired of the same old tourist traps Whether you're a visitor or a local looking for something different The Dakotas Off the Beaten Path shows you North and South Dakota with new perspectives on timeless destinations and introduces you to those you never knew existed See the house Pa built during the annual Laura Ingalls Wilder Pageant in De Smet South Dakota Excavate mammoth bones in the Black Hills or spelunk in some of the world's largest caves Dance to Norwegian fiddles at North America's largest Scandinavian festival or lose yourself in the brilliant splendor of a powwow So if you've been there done that one too many times get off the main road and venture Off the Beaten Path **Wyoming Road Trip by the Mile Marker** Brook Besser, 2010-03 NEW REVISED EDITION that simplifies the highway naming and adds a number of new features that make the book easier to understand and navigate Contact info nightblazebooks.com with any questions Please read this entire description and the notes at the end Yellowstone National Park is the focal point of Wyoming however there is so much more if you know where to look Hidden gems like badlands and petroglyphs can be found in the plains and valleys and with 15 mountain ranges over 9 000 ft Wyoming is hardly the boring prairie that many people envision Even where the plains seem unspectacular there is a rich history along pioneer trails that served as the gateway to the west throughout the 19th century This book identifies ALL of this and is simply a book you should not be without Most Wyoming travel guides are written to explore a specific subject or location but it would take a stack of books to cover the state for all subjects Think of these books as a mile wide and 100 miles deep This remarkable guide on the other hand has most everything in the entire state laid out by the highway mile markers so you will always know what is ahead and exactly how to get there This book covers National Parks and Monuments State Parks sightseeing camping picnicking hiking historical sites archaeological sites rest areas RV dumps and general points of interest The book has over 1900 entries so think of it as 100 miles wide and 10 miles deep enough information to get around but not an overload of information to wade through Without a book like this putting together a trip across the state requires a great commitment of time and effort The author knows this because he has done it many times In order to provide massive amounts of information into a book of reasonable size and cost first off the book it is not a pocket guide but instead is full A4 paper size measuring 8 3 x 11 7 x 0 5 inches If this was a pocket guide it would be well over a thousand pages Secondly the book is laid out in a clear and concise

report style format The descriptions are brief and to the point and not filled with colorful adjectives Instead the book uses a simple 5 star Cool Rating to convey the author s opinion of the impressiveness of each attraction In addition the first two lines for each attraction provide the mileage GPS coordinates elevation which entity owns the land and a grid system that corresponds to the maps in the book or can locate the attraction on any map The detailed directions are also condensed to generally fit on a single line Just to put a final point on the amount of information in this book the index is extracted directly from the book itself and therefore is so comprehensive that it contains over 2 300 entries So don t think of whether you should buy this book or that book this book stands on its own or as the ultimate companion book to any other Wyoming travel book It will pay for itself many times over in time and fuel savings If you put it in perspective the price of the book is around what it costs to operate a vehicle for about 30 miles maybe 10 or 20 in a big RV pretty insignificant Complete coverage of Yellowstone National Park Grand Teton National Park Devils Tower National Monument Fossil Butte National Monument Bighorn Canyon National Recreation Area Fort Laramie National Historic Site Medicine Lodge State Archaeological Site Snowy Range Bighorn Mountains Wind River Mountains Sinks Canyon State Park Guernsey State Park Glendo State Park Keyhole State Park Green River Lakes Casper Mountain Park Jackson Hole and much more NOTES Because grayscale photos never do justice to things of beauty the book contains no photos However dozens of color photos can be seen on the book website wyomingroadtripbythemilemarker.com

Coming to Terms: "A Mass Shooting Survivor's Reckoning with Vulnerability and Self-Protection" David Frankel,C.D. "Chuck" Michel,2025-07-07 Coming to Terms is a deeply personal and thought provoking memoir by David Frankel a survivor of the 1993 mass shooting at 101 California Street in San Francisco Frankel was in the building as several of his colleagues were killed nearby a traumatic experience that shaped the course of his life Initially turning to gun control advocacy in search of meaning and healing he later began to question whether that path truly addressed the deeper issues of vulnerability resilience and personal safety Co authored with constitutional law attorney C D Chuck Michel Coming to Terms traces Frankel s transformation as he wrestles with loss fear and the evolving meaning of self defense The book offers rare insight into one survivor s hard won understanding of empowerment and personal responsibility This is not just a story of trauma and recovery it s an invitation to rethink what it truly means to protect ourselves and those we love *Warriors Without Weapons* Gordon Macgregor,2013-05-31 A

fascinating and in depth look at the social and personality development of the Pine Ridge Sioux **Excavating Machinery** Allen Boyer McDaniel,1913 **The Good Country** Jon K. Lauck,2022-11-21 At the center of American history is a hole a gap where some scholars indifference or disdain has too long stood in for the true story of the American Midwest A first ever chronicle of the Midwest s formative century The Good Country restores this American heartland to its central place in the nation s history Jon K Lauck the premier historian of the region puts midwestern squares center stage an unorthodox approach that leads to surprising conclusions The American Midwest in Lauck s cogent account was the most democratically

advanced place in the world during the nineteenth century The Good Country describes a rich civic culture that prized education literature libraries and the arts developed a stable social order grounded in Victorian norms republican virtue and Christian teachings and generally put democratic ideals into practice to a greater extent than any nation to date The outbreak of the Civil War and the fight against the slaveholding South only deepened the Midwest's dedication to advancing a democratic culture and solidified its regional identity The good country was of course not the perfect country and Lauck devotes a chapter to the question of race in the Midwest finding early examples of overt racism but also discovering a steady march toward racial progress He also finds many instances of modest reforms enacted through the democratic process and designed to address particular social problems as well as significant advances for women who were active in civic affairs and took advantage of the Midwest's openness to women in higher education Lauck reaches his conclusions through a measured analysis that weighs historical achievements and injustices rejects the acrimonious tones of the culture wars and seeks a new historical discourse grounded in fair readings of the American past In a trying time of contested politics and culture his book locates a middle ground fittingly in the center of the country

The Angel by My Side Mike Lingenfelter, David

Frei, 2002-09-01 Do your pet and yourself a favor Buy this book and when you're done reading it keep it in the medicine cabinet for the next time you need salve for your soul Marty Becker D V M veterinary contributor for Good Morning America chief veterinary correspondent for Amazon and author of The Healing Power of Pets It was 1994 and Mike Lingenfelter was ready for his life to be over Two serious heart attacks and open heart surgery had taken away most of the good things that he had in his life However his doctors still held out hope for him and they were trying to find ways to motivate him to get out of the house and exercise Their vision was that an energetic dog on a leash might do that for Mike And so it was that this golden retriever named Dakota who had been rescued from death himself came to help Mike with his rehabilitative therapy Eventually Dakota became Mike's protector and his best friend saving Mike's life several times after somehow learning how to alert Mike of oncoming heart crises Dakota gave Mike back his dignity his pride and his life Early on it became evident to Mike that this wonderful 98 pound red haired four legged angel had a special gift Dakota was a spirit guide and it was Mike's duty to share him and the power of the human animal bond Ultimately as part of that journey one more miracle was needed as Dakota fought a courageous and dignified battle for his own life

The Spirit of 1889 Samuel Western, 2024-08-27 In August 1889 the five states that were once part of the 1861 Dakota Territory North Dakota South Dakota Wyoming Montana and Idaho drafted their state constitutions in preparation for inclusion in the United States These constitutions were models of progressive and pragmatic values for their time Wyoming for instance was the first state to grant women's suffrage In addition to suffrage delegates from these states banned child labor curbed the power of railroads and grain monopolies mandated state ownership of running water opened voting eligibility and created state owned banks These states the 89ers as Samuel Western calls them exhibited a spirit of commonweal inclusivity that set them apart Much has changed since and

not for the better Today legislators in these five states have spurned these inclusive values Instead they promote the narrative of exclusion and lean toward authoritarianism Legislators restrict voting disenfranchise Native Americans limit protests squash public education and discourage immigration initiatives such as sanctuary cities In their current condition these states are in direct contradiction of the pragmatically inclusive and progressive values of their 1889 constitutions The 89ers today are driven by ideological objections to political autonomy stripping power from cities fueling partisanship and a rigid commitment to traditional commodity based industries Western sees hope for the future but only if these states replace their fidelity to a particular idea of rural America with a more pragmatic openness to diversity and change which will paradoxically bring them closer to the original spirit of their constitutions Western calls for a radical rethinking of what rural America is and could be As a long time resident in Wyoming he speaks not from the outside but as someone who personally cares about this region and its future prosperity The Spirit of 1889 aims to shed light on how these states have drifted so far from where they began and what might be done to reclaim those original values

Who Is Mary? Linda Byler,2024-08-06 The first book in a new Amish romance series by beloved novelist Linda Byler an active member of the Amish church With her copper red hair and inquisitive personality Mary is an anomaly in her Amish community in western New York She tries to join in the fun with the other youth as they gather for hymn singings and games but she finds it all rather dull None of the young men are interested in her and she s even less interested in them With each passing year she feels more and more out of place and stifled by life as a misfit in a rural Amish community When her aunt comes for a visit and suggests she return to Lancaster with her to help manage her bakery Mary sees her opportunity for the change she s desperately craving But her parents forbid her to go her father convinced that leaving the family for the busy life of Lancaster will lead her down a path of destruction Mary is deeply distressed wanting to honor her parents wishes and also knowing she can t stay trapped in their isolated community forever At twenty one she s old enough to decide for herself and yet it s painful to be at odds with her father Will she go despite her father s dire warnings If she stays will she just continue to disappoint her parents asking too many questions and never finding a man to marry One thing is sure Before she can even think about dating she needs to figure out who she is and where she belongs And that might require a boldness she didn t know she possessed

Religion and Social Protest Movements Tobin Miller Shearer,2021-06-14 What role has religion played in social protest movements This important book examines how activists have used religious resources such as liturgy prayer song and vestments with a focus on the following global case studies The mid twentieth century US civil rights movement The late twentieth century antiabortion movement in the United States of America The early twenty first century water protectors movement at Standing Rock North Dakota Indian independence led by Mohandas Gandhi in the early 1930s The Polish Solidarity movement of the 1980s The South African anti apartheid movement of the 1980s and 1990s

Prayer as a sacred act is usually associated with piety and pacifism however it can be argued that those who pray in public while protesting are more likely to encounter violence Drawing on journalistic accounts participant reflections and secondary literature Religion and Social Protest Movements offers both historical and theoretical perspectives on the persistent correlation of the use of public prayer with an increase in conflict and violence This book is an important read for students and researchers in history and religious studies and those in related fields such as sociology African American studies and Native American studies *Harper's Pictorial History of the War with Spain* ,1899 Motor Age ,1911 *The Woman in the Woods* John Connolly,2019-05-14 With its singular characters eerie subject matter and socko style The New York Times this gripping thriller from the internationally bestselling author John Connolly follows Private Investigator Charlie Parker as he is hired to track down the identity of a dead woman who apparently died in childbirth and her missing child In the beautiful Maine woods a partly preserved body is discovered Investigators realize that the young woman gave birth shortly before her death But there is no sign of a baby Private detective Charlie Parker is hired by a lawyer to shadow the police investigation and find the infant but Parker is not the only one searching Someone else is following the trail left by the woman someone with an interest in much more than a missing child someone prepared to leave bodies in his wake And in a house by the woods a toy telephone begins to ring and a young boy is about to receive a call from a dead woman With breathless pacing and shivery twists and turns this is Connolly s masterpiece Publishers Weekly starred review
