When they discover that their friend has been doing some top secret research they start to worry he's been exposed or worse. Meanwhile Beth continues on her own search for her father who allegedly is alive in Mexico but won't return her calls. Still she's making progress in healing from her own trauma though can't quite shake the feeling she's being followed. *Winter's End* Jason Kallen Lee, 2007-09 A man of insatiable dreams of work of life of love With all the hopes and dreams for life Only to have them shattered by events and special circumstances in his life A struggle to rebuild them again In his early life he struggles with his own identity and the law The many encounters of relationships with authorities and friends To be further complicated with the Army death and broken relationships His many accomplishments in life are shadowed with his alcoholism The many mistakes and poor judgment decisions made during his increase of dependence on alcohol Finally losing everything which was important to him He overcomes his alcoholism with the help of his Higher Power and the many friends in his recovery Finding that change and risk taking are essential to growth and serenity in one's life I once again became a man leading a full filling and productive life A life in which I am happy and proud to have Obtaining the one and only thing which was asked of me from my mother A life without alcohol
