A Young Adult's Guide to the Canadian West Don Brestler, 2002 Don Brestler s exquisite sketches and narrative skills bring to life memories and transformations of the Canadian West for young and old alike A true Westerner Brestler s love of the West comes across vividly on every page **Waxahachie** Kelly McMichael Stott, 2002 The people of Waxahachie Texas have always been at the heart of a thriving community that was once the largest cotton producing county in the nation As county seat Waxahachie burgeoned into a bustling center for business and education and carved out a unique niche in the growing landscape But its citizens overcame significant obstacles as well facing such challenges as a massive slave revolt during the Civil War and the economic bust of the 1930s Reflecting both the glory and hardship of these struggles Waxahachie today stands as a testament to Southern determination and how a town came to be defined by a crop on which America still relies cotton Always with an eye on their future the people of Waxahachie in 1912 supported the development of an interurban electric railway system linking them to Dallas and Waco Each July between 1900 and 1930 Texans from all over the state came to Waxahachie by covered wagon on horseback and later by automobile to participate in the national Chautauqua phenomenon and hear such great orators as William Jennings Bryan and Will Rogers Waxahachie s Chautauqua Auditorium still in use today is one of the few national survivors of this educational movement This tradition of community and culture survives to the present day in such events as the Scarborough Fair the National Polka Festival and the Gingerbread Trail of Homes In this new historical account Waxahachie Texas Where Cotton Reigned King the town springs to

Chmelka, 2002-11-19 Matej's Journey to America is a creative nonfiction chronicle exploring the forces that drove our immigrant ancestors to new lands After Adam and Eve's eviction from Eden man slowly scattered with a great dispersion occurring about 2700 BC as the Lord confounded the tongues of presumptuous Babylonians building a tower to heaven Among the afflicted was an Aryan slave named Chmelka who was growing hops chmel in the new Slavic language to flavor beer for his Semitic masters As the Slavs fled northward toward unknown Czech lands other tribes migrated in all directions According to The Book of Mormon the righteous Jared took a Semitic clan from Babel across the mountains deserts and oceans to a New World later named America Another Semitic clan that passed through Babylon 850 years later included a young Abraham destined to be the patriarch of Judaism Christianity and Islam He introduced the concept of a single God revered by all his religious descendants but despite their many commonalties each of these three great religions seem

convinced it has the only correct formula for salvation justifying incredible atrocities with God always on its side The descendants of the first Chmelka struggled as great civilizations developed and fell through the turmoil and bloodshed of the Dark Ages Marco Polo awakened Europe in the late 13th century to the riches of the Far East giving rise to explorers like Christopher Columbus who stumbled onto the North American Continent in 1492 The Protestant Reformation began to divide the Holy Roman Empire at the time adding to the bloodshed as Austria Prussia and France fought for domination in Europe Meanwhile Spain England and France were colonizing and competing for control in the New World that was becoming home to an increasing number of European emigrants looking for a better life The American Colonies fought for independence and then began to absorb all lands from the Atlantic to the Pacific Thomas Jefferson purchased the immense Louisiana Territory from Napoleon in 1803 after which mountain men opened the West to homesteaders miners and ranchers My great great grandfather Matej was born as the Rocky Mountain fur trade boomed in 1825 and grew up on a 13 acre farm in Moravia where the Chmelkas had been serfs since Charlemagne was crowned the first Holy Roman Emperor a millennium earlier Matej became a Dragoon in the Austrian Imperial Army and helped put down a revolution in Prague in 1848 the year gold was discovered in California but war spread and life worsened for European peasants Gold homesteads and wild Texas longhorns free for the taking lured thousands of oppressed Europeans to America on steamships and railroads now making long distance travel feasible After Prussia defeated the Austrian Empire including Bohemia and Moravia and then France Matej s family escaped its misery and immigrated to Nebraska in 1871 They found a difficult life with grasshoppers drought hail and fires destroying crops spurring Matej s fourteen year old son to join a Texas cattle drive and then dodge Indians and gunfighters for fourteen years in the Wild West New technologies in farm equipment transportation and communications made America the envy of the world in 1902 when Matej died and was buried near the prairie church he helped build Matej s Journey to America honors him and his fellow immigrants ordinary men and women generally lost in history for the legacies and opportunities they gave us in our great land of freedom Franklin's Crossing Clay Reynolds,1993-04-01 One of

Redding's Fandango Nick Brumby, He s got the devil on his tail and an itchy trigger finger Cowboy Sol Redding is ready to raise hell when he rides into town after being bushwhacked while driving a herd of Texas longhorns from Amarillo to Sheol Springs Redding has lost his cattle his friends and his fortune and he wants swift justice However powerful enemies

will do whatever it takes to shut him down or stamp him out When the sheriff turns up dead the town needs a scapegoat and Redding fits the bill Can he find the real killer before they string him up for a crime he didn't commit The Chisholm Trail Ralph Compton, 2025-09-23 Armed with only a Colt rifle a Bowie knife and courage as big as the West Ten Chisholm the bold illegitimate son of frontier scout and plains ambassador Jesse Chisholm and a Cherokee woman arrives in the heart of Comanche country with a price on his head His only crime loving the beautiful daughter of a powerful New Orleans gambler who has promised her to a wealthy man she hates Now that Ten has returned to the harsh Texas brakes with a team of battle toughened cowboys and ex soldiers and a vow to return to Priscilla and make her his wife he must round up wild longhorns ward off angry Comanches and survive treacherous outlaw attacks as he crosses the Red River and sets off on a brazen quest to open a new trail to Kansas on the savage frontier *One Good Horse* Tom Groneberg, 2006-02-28 Since moving west over a decade ago Tom Groneberg has worked with horses as a trail guide as a ranch hand and as the manager of his own ranch in Montana but he has never owned a really good horse Until on an autumn night in a warm barn under a blanket of snow Blue is born Soon he will belong to Tom Groneberg If I had a good horse writes Tom I could give it my life I could ride it for years We could grow old together So begins this unique American love story about a man and his horse In straightforward poetic prose Tom Groneberg chronicles the early successes and failures of trying to train Blue earning the animal's trust and saddling him for the first time The experience is challenging but ultimately rewarding for Tom Through his relationship with the animal he develops a deeper understanding of the land and his community and of himself as a man and as a husband and father In a world in which horses are fast becoming nothing more than warm blooded lawn ornaments Tom still believes these animals are important in human lives At its heart *One Good Horse* is about the power of hope the simple story of a horse and the way people connect with nature and with each other across the generations Ghost Settlement on the Prairie Joseph V. Hickey, 1995 Four miles southeast of the village of Matfield Green in Chase County Kansas the heart of the Flint Hills lies the abandoned settlement of Thurman At the turn of the century Thurman was a prosperous farming and ranching settlement with fifty one households a post office two general stores a blacksmith shop five schools and a church Today only the ruins of Thurman remain Joseph Hickey uses Thurman to explore the settlement form of social organization which along with the village hamlet and small town was a dominant feature of nineteenth and early twentieth century American life He traces Thurman's birth in 1874 its shallow rises and falls and its demise in 1944 Akin to what William Least Heat Moon did for Chase County in *Prairie Earth* Hickey provides a deep map for one post office community and consequently tells us a great deal about America's rural past Describing the shifting relationships between Thurmanites and their Matfield Green neighbors Hickey details how social forces set in motion by the American ideal of individualism and the machinations of capitalist entrepreneurs produced a Darwinian struggle between Thurman stock raisers and Flint Hills cattle barons that ultimately doomed Thurman Central to the story are the concept of ordinary entrepreneurship and the profoundly capitalist

attitudes of the farmers who settled Thurman and thousands of other communities dotting the American landscape Hickey's account of Thurman's social organization and disintegration provides a new perspective on what happened when the cattle drives from Texas and the Southwest shifted in the 1880s from the Kansas cowtowns to the Flint Hills Moreover he punctures numerous myths about the Flint Hills including those that cattle dominated because the land is too rocky to farm or that Indians refused to farm because of traditional beliefs Like many other small rural communities Hickey argues Thurman during its seventy year history was actually several different settlements A product of changing social conditions each one resulted from shifting memberships and boundaries that reflected the efforts of local entrepreneurs to use country schools churches and other forms of social capital to gain advantages over their competitors In the end Thurman succumbed to the impact of agribusiness which had the effect of transforming social capital from an asset into a liability Ultimately Hickey shows the settlement's fate echoed the decline of rural community throughout America [The Cougar's Prey](#) Larry D.
