Love and Death in the American Novel Leslie A. Fiedler, 2025-06-18 Leslie A Fiedler's Love and Death in the American Novel is an acclaimed classic and a foundational work of literary criticism offering a bold and provocative exploration of the themes that define American fiction Originally published in 1960 this groundbreaking study examines how love sexuality death and moral conflict shape the American literary tradition setting it apart from its European counterparts Fiedler argues that American literature is deeply rooted in myth fantasy and the tension between innocence and experience He traces recurring motifs such as the absence of mature heterosexual relationships the glorification of male bonding and the fascination with the wilderness through the works of writers like Nathaniel Hawthorne Herman Melville Mark Twain and F Scott Fitzgerald His analysis uncovers the underlying psychological and cultural forces that have influenced the American literary imagination from its early Gothic and Romantic origins to its modern existential dilemmas Written with intellectual rigor and sharp wit Love and Death in the American Novel remains a standard in literary criticism continually shaping discussions on American literature and cultural identity Fiedler's insights challenge readers to reconsider the narratives that have long been celebrated as the heart of the American experience Essential for students scholars and anyone interested in the deep seated themes that define America's greatest literary works this book is as thought provoking today as when it first revolutionized the field of literary studies Love, Poverty, and War Christopher Hitchens, 2004-11-24 I did not I wish to state become a journalist because there was no other profession that would have me I became a journalist because I did not want to rely on newspapers for information Love

Poverty and War Journeys and Essays showcases America's leading polemicist's rejection of consensus and cliché whether he's reporting from abroad in Indonesia Kurdistan Iraq North Korea or Cuba or when his pen is targeted mercilessly at the likes of William Clinton Mother Theresa a fanatic a fundamentalist and a fraud the Dalai Lama Noam Chomsky Mel Gibson and Michael Bloomberg Hitchens began the nineties as a darling of the left but has become more of an unaffiliated radical whose targets include those on the left who he accuses of fudging the issue of military intervention in the Balkans Afghanistan and Iraq Yet as Hitchens shows in his reportage cultural and literary criticism and opinion essays from the last decade he has not jumped ship and joined the right but is faithful to the internationalist contrarian and democratic ideals that have always informed his work
