Be an Outrageous Older Man Bard Lindeman,1998 In this highly informative book The perfect gift for Father s Day Birthdays columnist Bard Lindeman writes an open letter to men who are growing older and feel the pressure Lindeman believes that Americans do not understand the aging process Rather than embracing this stage of their lives they kneel at the altar of youth to worship the ideals of perpetually abundant hair and unwrinkled skin Why waste your time Lindeman asks when you can be an outrageous older man With warmth and wit Lindeman covers the areas of most concern to men and the women who love them health work is retirement a good idea or a failed experiment loneliness sexuality You bet there s sex after 50 meeting new people and advocacy Who else will stand up for the rights of older people if we don t he asks Be an Outrageous Older Man is based on Lindeman s personal experiences the research behind fourteen years of his nationally syndicated twice weekly newspaper column In Your Prime and the hundreds of letters and cards he s received from his readers He knows because his readers have told him that older men are

incredible grandfathers and that volunteering makes them feel good He also knows older men believe in the benefits of regular exercise but fear losing their hair and having problems with their prostate Be an Outrageous Older Man is not a how to live longer book Like Be an Outrageous Older Woman by Dr Ruth Jacobs also published by KIT this volume tells men how to feel better about aging A lifelong journalist Lindeman says Aging is by far the best story I ve ever covered It s always news because information on the topic constantly changes and evolves Americans are just beginning to see the profound impact of aging on our society **Male Menopause** Jed Diamond,1997 The comprehensive examination of this very real health issue

The Longevity Sourcebook David Seidman,1997 The search for immortality is perhaps as old as humankind itself The Longevity Sourcebook examines and clearly delineates fact from fiction and presents the most up to date theories on how to live a long and healthy life It discusses nutrition and its impact on longevity including how much to eat diets and dieting ways of preparing food and the pros and cons of meats seafood and fruits and vegetables It also reviews the most current theories on the benefits of exercise the latest medical procedures and discoveries and the impact of the environment on long life
