Abadie, 2001 **Homer's Iliad: The Real Story** John D. Martin, 2025-07-30

For the nearly three millennia since its creation the Iliad's Real Story has gone undiscovered Homer a blind poet as antiquity believed him to be created a powerful war story which must have enthralled his listening audiences But this story concealed another one far grander in design and immensely more clever in execution which can be discovered only by careful examination of the written text Living in an age where literacy was minimal Homer created this story for the gods and undoubtedly never expected any mortal to understand it Homer's imaginative fantasy radically undermines traditional Trojan War mythology and exposes the speciousness of war's glory the folly of the warriors who supposedly fight for it and the amorality of the gods who help them do so Homer's great war poem great indeed war poem indeed is in its depths antiwar In piecing together the Iliad's web of secret plans deeply hidden motives and subtle lies and deceptions and in the process identifying and discarding post Homeric corruptions to the text we will find an Iliad which is not a prelude to Achilles' glorious early death and the Fall of Troy but the opposite In a concealed ending towards which the entire story has been leading Homer's own words will tell us how Achilles as supplicated by Priam chooses a long life without renown and goes home The Greek army unwilling to fight without its greatest warrior leaves also sparing peaceful holy Troy Zeus' favorite city and best hope for mankind Homer tells this story with a brilliance that is almost unimaginable until one actually encounters it The Real Iliad is an immense intellectual challenge and an inexhaustible source of surprises Far from a formalistically heroic epic as has long been thought it is an imaginative expression of the full creative powers of Western antiquity's greatest author **Honorita: A Novel in Sonata Form** Patrick Guderski, 2014-01-06 A story about classical music painting New Hollywood music television horticulture joy trauma and a young girl's audition at Juilliard It's 1993 in San Francisco and Honorita the only child of a family of classical musicians is the sole inheritor of a beautiful upper middle class home located in St Francis Wood Living alone after having been recently bereft of her godfather she dwells in a state of despair while she aimlessly embarks on a college career However a visit by a person from her godfather's past a new best friend at school and

the competing interests of two tumultuously enamored boys reignite her sense of direction which culminates in a whirlpool of perseverance euphoria tragedy and rage revolving around a life changing audition at Juilliard The novel itself is woven into a tapestry of allusions and asides to art history cinema pop culture painting music theory and gardening In depth references to Baroque Classical Romantic Impressionist and Modernist periods of music along with their composers abound The Zeitgeist of popular music in 1993 namely the catapulting alternative rock and grunge scenes also figures significantly into the events that unfold **Fiction, Crime, and the Feminine** Rédouane Abouddahab,2011-01-18 The form of art called fiction has always been the privileged framework providing the perfect alibi for facing framing and containing the Other's desire and the strange libido attached to violence in other words there is an ambivalent dimension inherent in the scenarios and fantasies we enjoy by proxy Are not the fairy tales of our childhood full of images of death and violence whose fascinating presence is paradoxically meant to make us feel all the more safely tucked up in bed After all the wolf or the Little Red Riding Hood the monstrous killer or the unfortunate victim are but fictitious characters mere shifting positions they are not me therefore thanks to the willing suspension of disbelief process any reading I may shift into their speech or thoughts on the fictional screen a stage both for projection of and protection from such forbidden enjoyments Crime fiction has also for a long time been the genre for such containment Ever since Victorian craniology criminal violence has remained as resistant as ever to scientific measurement even to the more recent techniques of investigation of the brain Where women are concerned they were first and mostly fascinating victims but they also nowadays feature in the role of the criminals adding to the first fascination the mystery of a woman's desire beyond the pale of societal expectations Indeed more and more pieces of crime fiction nowadays refuse to grant the simple pleasures of old what if for example the text refuses to comply to the whodunnit convention What about those stories that instead of closure will diffuse a mist a sense of unrest by their emphasis on the inexplicable lure of violence In other words gone are the days of the satisfaction granted by traditional closure and return to a solidly structured society made safe again by the disposal of the scene of violence But writing as such is also to be taken into consideration and what forcefully determines the writing is not only the historical trauma whose active presence in the fiction cannot be denied but especially some unresolved traumatic event or exclusion that makes one write and through the writing quest bliss but that also makes one renounce the attachment to the inevitably lost bliss **The Story of my Life** Emily McComiskey,2018-04-09 Jenny knew what she wanted to do with her life Moving back in with her parents changed everything Not only did she go back to school with her childhood friends but something changed within her Is she able to keep up with everything life throws her way **Lookaway, Lookaway** Wilton Barnhardt,2014-06-24 Presiding over her family and its legacy of masterpiece Civil War art North Carolina society maven Jerene Jarvis Johnston takes increasingly haphazard steps to protect her grown children from their own heedlessness **The Complete Novels of Earl Derr Biggers: 11 Mystery Classics, Thrillers & Detective Stories** Earl Derr Biggers,2023-12-12 Earl Derr Biggers The
