Looking Back At Wythenshawe:

Life in Strangeways - From Riots to Redemption, My 32 Years Behind Bars Alan Lord and Anita

Armstrong,2015-04-23 A key player in the worst prison riot in British history at Strangeways Prison in April 1990 Alan Lord was always in the wrong place at the wrong time He was drawn to trouble like water to a sponge After experiencing a troubled childhood during which Alan was in and out of children s homes after being put into care at the tender age of eighteen months old Alan was a teenager in 1981 when he was sentenced to life in prison for murder during a robbery that had gone badly wrong He served thirty two years in various prisons throughout the United Kingdom This book tells the truth of what goes on behind prison walls and exposes the level of inhumane treatment and brutality that Alan had to endure throughout his thirty two year journey during which he never stopped standing up for human rights Fighting against the degrading prison system of the late twentieth century Alan helped change the historical humiliating slop out and weekly shower that hundreds of thousands of prisoners had to adhere to throughout the centuries The battle came at a cost though as it meant more time behind bars time spent mainly in the segregation unit Powerfully detailing the way prisoners are treated on a daily basis Life in Strangeways is a gripping tale that will change the perception of Alan Lord convicted murderer and riot leader

by leading scholars in the field of urban and social history offer fresh and important insights into governance and civil society in the modern period Towns, Plans and Society in Modern Britain Helen Meller,1997-08-07 In this concise survey Helen Meller aims to explore the interaction of the social and physical environment of cities All modern societies have experienced mass urbanisation and have been subject to the economic social and technological forces which have produced this urbanisation Yet all towns and cities are not the same The author points out that historical and cultural factors have played and are still playing an important part in shaping responses to these forces This becomes even more clearly evident when the urban environment becomes subject to planning Urban regeneration has facilitated not just an improvement in the physical environment of cities but in their economic and social fortunes as well This study is an accessible analysis of the way in which social cultural and physical factors have created the quality of life in British cities over the past two centuries **Resources of the City** Bill Luckin,2017-03-02 The field of urban environmental history is a relatively new one yet it is rapidly moving to the forefront of scholarly research and is the focus of much interdisciplinary work Given the environmental problems facing the modern world it is perhaps unsurprising that historians geographers political natural and social scientists should increasingly look at the environmental problems faced by previous generations and how they were regarded and responded to This volume reflects this growing concern and reflects many of the key concerns and issues that are essential to our understanding of the problems faced by cities in the nineteenth and twentieth centuries Addressing a variety of environmental issues such as clean water supply the provision retention of green space and noise pollution that faced European and North American cities the essays in this volume highlight the common responses as well as the differences that characterised the reactions to these trans national concerns Looking Back at Wythenshawe Jean Greatorex,Sheila Garner Clarke,1984 2ZY to NBH Ian Hartley,1987 Honour Freddie Omm,2012-03-23 When his brothers in faith kick off a campaign of murderous havoc and honour killing their pacifist ex comrade Azeem has to figure out who s behind it re evaluate his ideals and save his lover from a lovelorn sheikh without getting himself killed A fast paced darkly humorous thriller Honour is a controversial meditation on modern evil **Locks** Ashleigh Nugent,2023-06-22 A rollicking debut Telegraph A necessary exploration of identity and belonging Derek Owusu author of That Reminds Me In Ashleigh Nugent s dynamic coming of age comedy of errors Locks teenager Aeon is on a quest for belonging Locks is the story of Aeon a mixed up and mixed race teenager from a leafy Liverpool suburb who is desperate to find his Black roots and understand the Black identity foisted upon him by his community To his growing shame the only Black people in his life are his dad and his cousin Increase but they don t count Aeon s dad is intent on ignoring race and climbing the social ladder And Increase has taken to demeaning all Black culture since the shady and unresolved death of his own father A Yardie gangster Aeon s quest seems set to be fulfilled when he and Increase travel to Jamaica But Aeon soon finds that smoking loads of weed growing messy dreadlocks and wearing massive red boots don t necessarily help him to fit in He gets mugged stabbed arrested and banged

up in a Jamaican detention centre where he is beaten unconscious for being the White boy And then things really start to go wrong
