Prosthetic Memory Alison Landsberg, 2004 Prosthetic Memory argues that mass cultural forms such as cinema and television in fact contain the still unrealized potential for a progressive politics based on empathy for the historical experiences of others The technologies of mass culture make it possible for anyone regardless of race ethnicity or gender to share collective memories to assimilate as deeply felt personal experiences historical events through which they themselves did not live **The Gypsy's Parson** George Hall (rector of Ruckland, Lincolnshire.), 1915 **2012** Peter Hargitai, 2010-11-24 AMAZING PROPHECY HIDDEN IN NOVEL By the author who foretold 911 and the Twin Towers meltdown In all that is banal and bathetic lurks the heroic as in the story of Attila Nagy whose mad forays into time sound the horn of prophecy The visionary path its author Peter Hargitai cuts into time intersects with Nostradamus famous Epistle and with contemporary history The great empire of the Antichrist will begin where Attila and Xerxes descended Nostradamus from the Epistle to Henry II Praise for Editor's Choice Author Peter Hargitai This deliciously ironic picaresque tale borders on the bizarre but Hargitai is a language master capable of effortless shifts from reality to myth This genre bending novel is a pleasure to read Highly recommended for all fiction collections Library Journal Hargitai maintains a high level of tension with arrogant abandon he plays out his tricks and his intricate cat and mouse game on the reader with huge success So deft are his embroidery of metaphors and redressing of myths that we give credence to the most outrageous bluffs mythical occurrences pseudomagic drug induced psychedelic visions inexplicable apparitions and a bevy of layers thick concealments Few can convey the madness of the New World with such absurd dexterity and such a keen sense of irony and the grotesque This mischievous iconoclastic sorcerer manages to mesmerize everybody World Literature Today **Short Plays for Junior and Senior High Schools** James Plaisted Webber, Hanson Hart Webster, 1925 *Destiny Bay* Donn Byrne, 1928 **Notes and Queries**, 1898 **The Double Dealer**, 1923 *A Gypsy's Love* 1 Sophia S. Sterling, 2019-03-01 The twelfth Earl of Scarborough Lord Jeffery Lumley craves a girl he glimpsed in his youth and is plagued for years with a strange yearning to have her this Gypsy maiden How do you catch the wind and question it That is how he saw her and their clan as they appear always to vanish before he could gather his courage and wits to speak to her A curse or spell whatever it was he must learn

how to free his heart and body to end this undeniable desire to have her Time is drawing near in which a wife and heir is needed to continue the official line of earls and to stop his devious uncle from claiming his birthright as the head of their family With Jeffery's mind staggering he marvels how this mysterious gypsy girl could hold him in perdition for so long frustrated and lusting after her wicked person leaving him to ponder how to capture the wind Living through the loss of loved ones and seeing her life governed by others was something Hailfa refused to settle for so she devised to have her heart's desire but when it was within her reach a foolish earl wanted to capture her one prized freedom to place her in a new prison His A Gypsy's Christmas Kiss Dawn Brower, Amanda Mariel, 2018-12-04 Lulia Vasile is the daughter of a Romany princess and an Earl's second son She grew up playing roles in a traveling theater performing at county fairs and has dabbled in fortune telling She makes no apologies for who she is and lives life as she pleases Finley Prescott the Duke of Clare doesn't leave his townhouse unless it's necessary He has responsibilities and people who depend on him All he wants is to disappear from the world He doesn't do well in large gatherings and lacks social graces Fin and Lulia have a history One that neither one has forgotten When they meet again they are drawn together After that chance meeting they share a magical kiss Along the way they discover that sometimes the one thing a person needs isn't what they would expect **Frank Leslie's**

Pleasant Hours, 1880 **Europe and the Roma** Klaus-Michael Bogdal, 2023-07-27 A magisterial contribution to the understanding of the cultural position of Romani people in Europe nothing short of astounding Literary Review This remarkable book describes a dark side of European history the rejection of the Roma from their initial arrival in the late Middle Ages to the present day To Europeans the Roma appeared to be in complete contradiction with their own culture because of their mysterious origins unknown language and way of life As representatives of an oral culture for centuries the Roma have left virtually no written records of their own Their history has been conveyed to us almost exclusively through the distorted images that European cultures project Persecuted and shunned the Roma nonetheless spread out across the continent and became an important indeed indispensable element in the European imagination It is impossible to conceive of the culture of Spain southern France and much of Central Europe without this pervasive Romani influence Europe and the Roma brilliantly describes the fascination and fear which have marked Europeans' response to the Romani presence Countless composers artists and writers have responded to Romani culture and to fantasies thereof Their projections onto a group whose illiteracy and marginalization gave it so little direct voice of its own have always been a very uneasy mixture of the inspired the patronizing and the frighteningly ignorant The book also shows the link between cultural violence social discrimination and racist policies that paved the way for the genocide of the Roma **The Novelist's Magazine**, 1781 A collection of separately paged novels
