Catholic mind from adopting any error in consequence of a text seeming to bear a heterodox meaning Perhaps the errors of translation in the existing versions may have led the Fathers to adopt rules of interpretation ranging too far from the simple and literal but having such translations they could hardly use them otherwise Meanwhile St Augustin will be found to excel in the intense apprehension of those great truths which pervade the whole of Sacred Writ and in the vivid and powerful exposition of what bears upon them It is hardly possible to read his practical and forcible applications of Holy Scripture without feeling those truths by the faith of which we ought to live brought home to the heart in a wonderful manner His was a mind that strove earnestly to solve the great problems of human life and after exhausting the resources and discovering the emptiness of erroneous systems found truth and rest at last in Catholic Christianity in the religion of the Bible as expounded by St Ambrose This is volume one out of two covering the Psalms I through LXXIII **Into His Presence, Volume 1**

Napoleon Burt,2020-06-02 The God of the Bible is not a concept to be studied but a divine person each of us can and should encounter personally Into His Presence uses historically documented experiences of a number of important people with God over thousands of years as the lens through which to help you understand the character of God as a person In this book you see the God of the Bible as a divine person encountered by the men and women of the Bible The approach to the study of the Bible presented in this book will completely change how you read the Bible and how you perceive the divine author of the Bible In this book you will learn how many historically documented conversations Adam had with God and see that Adam s God moved with purpose in each of His encounters with Adam Your understanding of the character of God will be enriched as you see Him through the eyes of Abraham over the course of their 100 year relationship You will be amazed by the sheer number of historically documented conversations Moses had with God and understand how these encounters transformed Moses from a polytheist into one of history s greatest spokesmen for monotheism and the pursuit of a personal relationship with the God of heaven You will walk with David through the ups and downs of his life identify with his struggles and understand how life s experiences drew him into a close relationship with God Through the enumerated experiences of the patriarchs judges and kings of Israel you will come to understand the consistent character attributes of God as a person over the course of history You will conclude that God is a divine person with whom you can also have an intimate relationship As you read this book you will feel the God of the Bible personally calling you into His presence **An Exposition of the Old and New Testament. In Six Volumes ... By Matthew Henry ... Vol. 1. [-6.] ,1791 The Book Of Heaven (Volumes 1 to 36)**

Luisa Piccarreta,2023-03-08 In every act of one who lives in the Divine Volition he pronounces the Fiat there and forms of it so many divine lives How he gives himself into the power of the creature and lets her do that which she wants with him Difference that passes between one who lives in him and between one who is resigned I am always between the arms of the divine Fiat and oh how I feel the need of his life that breathes beats circulates in my poor soul Without him I feel that all dies for me the light dies sanctity strength even heaven itself as if it might not belong to me anymore Instead as I feel his life

all rearises in me The light re arises with its beauty that vivifies purifies and sanctifies My own Jesus re arises with all his works Heaven re arises which the holy Volition encloses within my soul as within a sanctuary in order to make it all mine So that if I live in his Will everything is mine and nothing should be missing for me

Barker,2012-09-27 Are there Old Testament roots of the veneration of the Blessed Virgin Mary Margaret Barker traces the roots of the devotion to Mary as Mother of the Lord back to the Old Testament and the first temple in Jerusalem The evidence is consistent over more than a millennium there had been a female deity in Israel the Mother figure in the Royal cult who had been abandoned about 600BCE She was almost written out of the Hebrew text almost excluded from the canon This first of two volumes traces the history of the Lady in the Temple and looks forward to the second volume in which Barker will show how the Lady of the Temple is reclaimed in the advent of Christianity and becomes the Lady in the Church The result is breathtaking and like all Barker s work is impossible to put down C.F.W.
