Slodownik, 2020-08-30 It was supposed to be a MAKEOVER of her family RESTAURANT not her LIFE. A clean romantic comedy with a touch of romance plus some delicious vegan recipes. When Alexandra agrees to take care of the family restaurant she thinks it's only temporary until her father recovers from a massive heart attack. What she doesn't know is that the restaurant is in trouble and participating in the Xtreme Restaurant Makeover television show may be the only way to save it. The show is hosted by a hot but cutthroat celebrity chef Russell Stone who turns around failing restaurants in less than five days but his style and manners or lack thereof are hard for Alexandra to swallow. Dirty pots and pans fly around the kitchen, food gets spit out and interiors are gutted as millions are watching and cheering the bigger the humiliation of the restaurant owner the higher the ratings. She despises the very idea of it and doesn't think she could do it. Or could she?

Desiree Nielsen, 2017-01-03 We don't need to be instructed to eat apples instead of potato chips. What we need is someone to inspire us to eat well and to show us just how powerful eating that apple can be. This person must be a trusted voice, one that can calm the informational clutter instead of adding yet another discordant voice to the pile. Desiree Nielsen is a registered dietitian, one of the public's most trusted sources of nutrition information. In *Un-Junk Your Diet* she teaches readers about anti-inflammatory dieting in a way that's engaging, funny, and approachable. This book begins with a call to action to help shake up perceptions of what food means to our bodies and illuminate all the ways that marketers co-opt healthy eating messages to coerce us into choosing food that is unworthy. In addition, an in-depth look at the fundamentals of nutrition with a splash of myth-busting strengthens readers' abilities to resist the latest nutrition headline and continue making healthier choices.

Because there is no one right way for every individual eater Nielsen offers a brief exercise in self discovery before providing four distinct plans for becoming healthier They range from the gentle and gradual to the two week kick start that appeals to both detox seekers and vacation slimmers A Tough Love Guide to a Better Life Tina Holloway,2020-02-13 A Tough Love Guide to a better life is a hard hitting life changing smack you in the face blow your hair back book of truth heartbreak triumph and reawakening WARNING read only if you want your socks blown off This book is a fresh perspective of hope in a world that is seemingly going further into chaos If you are feeling lost and confused than you need to read this book It gets to the true root causes inherent in all humans of depression anger jealousy and the feeling of hopelessness that goes along with those emotions It breaks the barriers of the destructive deceitful thought patterns and beliefs such as If I was born this way than it must be impossible to change and there s nothing I can do about it or the thoughts just pop into my head I can t control them and many more **Love Letters to Navigate the Grief Journey** Andrew Rienstra,2021-12-16 It was
