Love Will Come:

Love Will Come with Fire Sisters of the Love of God, 2023-05-30 SLG Press Contemplative Poetry 10 This is a collection of personal reflections on faith and the struggle to meet and serve God that is part of our Christian journey Here there are no fractured poetic experiments except in the faith struggle itself that is the thinking which is the accomplishment and power of religious poetry just as it is of religious life This struggle is manifest here expressed by different people with different impulses to write Here the little the personal and the tightly imagined have the most effect The transfer of faith doubt struggle praise prayer into poetry is hard and that struggle too is part of this collection **Catalog of Copyright Entries**
