Jackson, 2009 In his controversial 1973 book *Is God a White Racist* William R Jones sharply criticized black theologians for their agnostic approach to black suffering noting that the doctrine of an omnibenevolent God poses very significant problems for a perennially oppressed community He proposed a humanocentric theism which denies God's sovereignty over human history and imputes autonomous agency to humans By rendering humans alone responsible for moral evil Jones's theology freed blacks to revolt against the evil of oppression

without revolting against God Sherman Jackson now places Jones's argument in conversation with the classical schools of Islamic theology The problem confronting the black community is not simply proving that God exists says Jackson The problem rather is establishing that God cares No religious expression that fails to tackle the problem of black suffering can hope to enjoy a durable tenure in the black community For the Muslim therefore it is essential to find a Quranic Islamic grounding for the protest oriented agenda of black religion That is the task Jackson undertakes in this pathbreaking work Jackson's previous book *Islam and the Blackamerican* OUP 2006 laid the groundwork for this ambitious project Its sequel *Islam and the Problem of Black Suffering* solidifies Jackson's reputation as the foremost theologian of the black American Islamic movement

Islamic Law and Muslim Same-Sex Unions Junaid Jahangir, Hussein Abdullatif, 2016-10-03 This book is written with the objective of reasonably addressing the need of Muslim gays and lesbians for a life which involves intimacy affection and companionship within the confines of a legal contract Contemporary conservative Muslim leaders unreasonably promote false marriages with straight spouses failing which they prescribe the solution of permanent celibacy as a test This book delves into an extensive scholarship on the same sources that conservative Muslim leaders draw on the Qur'an Hadith and jurisprudence It is argued that the primary sources of Muslim knowledge addressed sexual acts between the same gender in the context of inhospitality exploitation coercion and disease but not true same sex unions past Muslim scholarship is silent on the issue of sexual orientation and Muslim same sex unions The arguments of contemporary conservative Muslim leaders are deconstructed and the case for Muslim same sex unions is made based on jurisprudential principles and thorough arguments from within the Muslim tradition

Would You Lie to Save a Life Michael Glenn Maness, 2007-09 The Sparrow and the Crow is and will be an epic journey deep within your wildest imagination It takes you in places that light cannot exist but love does It makes you fear

what you don't believe and except what you can't conceive Christ was a flower a perfect flower taken into the eye of the sparrow Hatred rage anger became justice caught within the heart of the crow The power of Christ has traveled through the ages searching for two people a man and a woman who are not perfect before God but their hearts are pure and one with creation They are the chosen ones Two people willing to die for each other for no other reason than to preserve a single burning light within a darkened night A candlelight burning within the Eye of the Sparrow His promise to Adam and Eve becomes the Omen of the Crow That he who seeks the rose shall inherit the Heavens and Earth forever more
