 Annie Seaton, 2022-04-16 When the truth comes out can their love cross the centuries or will it be lost in time COME BACK
 TO ME Megan Miller has come to a crossroads in her career Accusations of a breach of ethics in her university teaching have
 rocked her world As she travels halfway across the world to the Glastonbury rock festival to research and complete her
 doctoral thesis she hopes that the mess she leaves behind in Australia will be sorted while she is in England Davy Morgan the
 reclusive rock singer tries to keep his music world and his private life separate his very existence depends on it But when the
 beautiful fey woman turns up at the cottage next door he must do all he can to keep his dark secret Because everything is not
 as it seems in Davy's world FOLLOW ME Beth McLaren knows that her great aunt's cottage holds the key to the mystery that
 has been a family secret since she was a child Determined to discover if what she has read in Great Aunt Alice's diary is true
 Beth travels halfway across the world to Glastonbury to solve the mystery Silas Rogers an eccentric musician who moves into
 the cottage is equally determined to keep Beth from knowing the truth and keep her from danger The last thing he expected
 was to fall in love But when Beth finds herself in the fifteenth century can she trust that Silas will find her and get her home
 FINDING HOME Alice McLaren is a traveller but her travels must remain a secret Now that she has no one of her own she
 leaves London during the Blitz to move to her family's cottage in Somerset Alice plans to take evacuated children from
 London and care for them in the country However her travels take her much further than she anticipates away to a safer
 place far from the war and the incessant bombing When she meets and falls in love with Branton Alice is torn There is a child
 to be rescued and Alice is the only one who can save Amelia Adnum She must choose between Branton and taking the lost
 child home safely As circumstances change Alice must make a decision that could change many lives Branton knows Alice
 holds a secret but he cannot understand why she refuses to stay with him He cannot bear to lose her but can Branton
 convince Alice that their love will endure no matter what THE THREADS THAT BIND Lucy McLaren went back to her family
 name after she and her long term partner split The McLaren family history and their cottage in Somerset in England drew
 her inexorably to the past and gave it an importance that she was unable or perhaps unwilling to explain As her daughter
 Beth grew older and began to question the past and Lucy's relationship floundered she knew the only way to save her sanity
 and justify her actions to her daughter was to go back and seek out the man she had fallen in love with many years ago Could
 she tell her daughter that her whole life had been a lie And will the love of her life still be there when Lucy returns to the
