**Married Love** Marie Carmichael Stopes, 2004 In my own marriage I paid such a terrible price for sex ignorance that I feel that knowledge gained at such a cost should be placed at the service of humanity The book that was to become *Married Love* grew from Marie Stopes's conviction that the state of modern middle class marriage was like her own desperate and that the cause of this desperation was sexual unhappiness She knew her book would probably electrify this country and it remains one of the best known sex manuals ever written It combines a lyrical evocation of marital love with a no nonsense and detailed account of sexual intercourse and sexual pleasure that was a sensation when it was published in 1918 Stopes advocated equality in marriage and the importance of women's sexuality and sexual desire as well as openly supporting birth control In this edition of Stopes's ground breaking work Ross McKibbin's introduction reveals fascinating insights into Stopes and prevailing attitudes to class religion science and above all sex

*Married Love* Marie Stopes, 2022-06-03 Marie Stopes groundbreaking work *Married Love* delves into the intimate aspects of marriage offering both practical advice and psychological insights into the dynamics of marital relationships Written in a clear and accessible style the book addresses taboo topics such as sexual desire contraception and communication between partners challenging social norms of the time Stopes exploration of these themes resonates with the early 20th century literary context of modernism as she seeks to push the boundaries of conventional thinking Through personal anecdotes and scientific explanations Stopes creates a narrative that is both informative and thought provoking paving the way for future discussions on marital intimacy Marie Stopes a renowned British author and advocate for women's reproductive rights drew upon her background in science and psychology to write *Married Love* Stopes own experiences in marriage and her observations of societal expectations influenced her to

embark on this pioneering work which remains relevant and influential to this day I highly recommend Married Love to readers interested in the intersection of literature psychology and social history Stopes insightful analysis and compassionate approach make this book a valuable resource for anyone seeking to deepen their understanding of marital relationships

**Married Love: Love in Marriage** Marie Charlotte Carmichael Stopes,2020-09-28 EVERY heart desires a mate For some reason beyond our comprehension nature has so created us that we are incomplete in ourselves neither man nor woman singly can know the joy in the performance of all the human functions neither man nor woman singly can create another human being This fact which is expressed in our outward divergences of form influences and colors the whole of our lives and there is nothing for which the innermost spirit of one and all so yearns as for a sense of union with another soul and the perfecting of oneself which such union brings In all young people unless they have inherited depraved or diseased tendencies the old desire of our race springs up afresh in its pristine beauty With the dreams and bodily changes of adolescence come to the youth and maiden the strange and powerful impulses of sex The bodily differences of the two now accentuated become mystical alluring enchanting in their promise Their differences unite and hold together the man and the woman so that their bodily union is the solid nucleus of an immense fabric of interwoven strands reaching to the uttermost ends of the earth some lighter than the filmiest cobweb or than the softest wave of music iridescent with the colors not only of the visible rainbow but of all the invisible glories of the wave lengths of the soul However much he may conceal it under assumed cynicism worldliness or self seeking the heart of every young man yearns with a great longing for the fulfilment of the beautiful dream of a life long union with a mate Each heart knows instinctively that it is only one s mate who can give full comprehension of all the potential greatness in one s soul and have tender laughter for all the child like wonder that lingers so enchantingly even in the white haired

**A Compilation of My LOVE POEMS** R. O. N. S. KING,2010-04-16 This book is a Compilation of most of my poems and saved for posterity This is Volume One with Volume Two to follow Let's Love Padre St.

Germain,2016-04-16 Love the essential ingredient that binds everything bringing a whole new fathom to our respective lives We have yet to truly scratch the surface or even digest or comprehend its alluring everlasting power In our childhood we are all attracted by the big book that yields simple defining words beside the colourful images that are designed to prepare us for life These fascinating colours and words will reign forever in our conscience I have tried to capture that youthful book element and hope that it holds with the readers attention That the words and photos ring true to the aspects o our beautiful life within the auspices of love From an early age I was mentored by a great man wise and humble in his approach to life He felt it his duty to inform me that the sole purpose of life was about each individual identifying themselves with the love Further still that life without the love essence was wasteful and meaningless that we should essentially be educated in the art of love I strove in my own haphazard way to understand eventually absorbing some of his remarks and pondering long and hard on them The end result is a book striking in its wording and illustrated images as I have attempted to encompass every

facet of the life that is love I hope that my own words accompanied with the photos contain an imaginative invigorating political and philosophical element some of which are humorous but all laced with the undercurrent of love *Married Love: A New Contribution to the Solution of Sex Difficulties* Marie Carmichael Stopes,2021-05-19 In *Married Love A New Contribution to the Solution of Sex Difficulties* Marie Carmichael Stopes explores the intricate dynamics of marital intimacy advocating for a holistic understanding of sexuality within the institution of marriage Written in an accessible yet scholarly style Stopes combines progressive scientific insights with candid discourse The book breaks the taboo surrounding sexuality urging couples to embrace a more fulfilling and enlightened approach to their relationships As a pioneering work in the realm of sexual education it stands as a notable contribution to early 20th century feminist literature aligning with the burgeoning movements advocating for women s rights and sexual autonomy Marie Carmichael Stopes a prominent paleobotanist and advocate for women s rights drew upon her extensive academic background and personal experiences to craft this influential text Her candidness and commitment to sexual enlightenment were radical for her time reflecting her belief that knowledge was essential for nurturing healthy marital relationships Stopes s passionate advocacy for reproductive health and women s education illuminate her motivations and provide context for her groundbreaking approach to topics previously shrouded in silence For readers seeking a deeper understanding of marital intimacy and the historical context of sexual education *Married Love* is an essential read Stopes s work not only champions the importance of sexual fulfillment but also serves as a call to action for couples to engage authentically with each other making it a timeless resource for aiding discussions around love sex and relationships
