is the ultimate guide to online dating that will take your online crush to offline love **Forbidden Love in St. Petersburg** Mishka Ben-David, 2016-05-17 Convincing tradecraft coupled with a plausible look at the inner life of a spy with a license to kill will remind readers of the best of John le Carr Publishers Weekly starred review Yogev Ben Ari has been sent to St Petersburg by the Mossad ostensibly to network and set up business connections His life is solitary ordered and lonely until he meets Anna Neither is quite what they seem to be but while her identity may be mysterious there is no doubt about the love they feel for each other But the impassioned affair is not part of the Mossad plan The agency must hatch a dark scheme to drive the lovers apart Soon what began as a quiet solitary mission becomes a perilous exercise in survival and Ben Ari has no time to discover the truth about Anna s identity before his employers act The novel has a solid sense of intrigue and suspense and its depiction of the world of international espionage feels accurate as it should since the author is a former Mossad agent The characterizations are precise too these aren t stick figures in a spy story but real people in a real environment A nice blend of classic spy novel conventions with a thoroughly contemporary setting Booklist starred review
