Loved Into Life:

Elocution C. P. Bronson, 1845 **Little Journeys to the Homes of English Authors** Elbert Hubbard, 1902 **This Present World** Steven DeLay, 2025-07-21 One can know something without being able to prove it to others For what does one acquire by proving to others what one already knew aside from the fact that one already indeed knew what one did And so it is with knowledge of God Proving to others that God exists has nothing to do with knowing him One could spend a whole lifetime attempting to prove God to others and yet never know him for oneself Knowing God which is a personal knowledge a knowledge by acquaintance means pressing deeper into the life he has ordained This unusual book Kierkegaardian in tone is a continuation of previous works and an essential addition to DeLay's ongoing effort to revive Christian existentialism into a living philosophy through the theological turn of phenomenology **The Sunnyside** , 1927 *Littell's Living Age* , 1896
