[Love and the Fighting Female](#) Allison P.

Palumbo,2020-07-16 The fighting female archetype a self reliant woman of great physical prowess has become increasingly common in action films and on television However the progressive female identities of these narratives cannot always resist the persistent and problematic framing of male female relationships as a battle of the sexes or other source of antagonism Combining cultural analysis with close readings of key popular American film and television texts since the 1980s this study argues that certain fighting female themes question regressive conventions in male female relationships Those themes reveal potentially progressive ideologies regarding female agency in mass culture that reassure audiences of the desirability of empowered women while also imagining egalitarian intimacies that further empower women Overall the fighting female narratives addressed here afford contradictory viewing pleasures that reveal both new expectations for and remaining anxieties about the strong independent woman ideal that emerged in American popular culture post feminism *Justice and Love* Mary Zournazi,Rowan Williams,2020-11-12 How do we see and act justly in the world In what ways can we ethically respond to social and economic crisis How do we address the desperation that exists in the new forms of violence and atrocity These are all questions at the heart of *Justice and Love* a philosophical dialogue on how to imagine and act in a more just world by theologian Rowan Williams and philosopher Mary Zournazi Looking at different religious and philosophical traditions Williams and Zournazi argue for the re invigoration and enriching of the language of justice and by situating justice alongside other virtues they extend our everyday vocabularies on what is just Drawing on examples ranging from the Paris Attacks the Syrian War and the European Migrant Crisis to Brexit and the US Presidential elections Williams and Zournazi reflect on justice as a process a condition of being a responsiveness to others rather than a cold distribution of fact By doing so they explore the love and patience needed for social healing and the imagination required for new ways of relating and experiencing the world **Lovers and Warriors** Phyllis Chesler,1924-12-01 *The Works of Thomas Love Peacock: Maid Marian.
