The Path of Love Ronald D. Cowen, 2015-02-05 The Buddha was a scientist Instead of using a microscope or a particle accelerator the Buddha used ESP He had several psychic powers that allowed him to perceive in detail the psychology of karma the evolution of consciousness and subatomic particles He discovered love and self love to be organizing principles that evolved early in the history of intelligent consciousness especially with regard to feelings and emotions Every person has the deepest need to love and be loved He solved the mind body problem by perceiving the physical basis of intelligent consciousness These psychic powers are acknowledged in Hindu and Buddhist scriptures but extremely few people have them This book is essentially a meditation report written by someone who has them While this sounds like an invitation to return this book to the shelf in a bookstore it also documents in depth another report by a physicist Stephen Phillips who relates in comprehensive detail the relationship between modern superstring theory and extrasensory observation of the elements of the periodic table by Annie Besant and Charles Leadbeater of the Theosophical Society This strong connection between modern physics and psychic powers of the Buddha is a real challenge to both the modern scientist and the modern Buddhist

Longenecker,2008-02-28 Discover the parallels between your life and the Mysteries of the Rosary while experiencing the healing graces of Our Lady Where our lives are characterized by trauma stress pain or sadness this ancient contemplative prayer can bring acceptance understanding and joy Through a series of stories reflections and prayerful meditations Father Longenecker reveals a powerful and very personal approach to using the Rosary as a process of transformation and healing from the inside out **The Paradoxes of Love** Llewellyn Vaughan-Lee,1996-05-01 The work of The Golden Sufi Center is to make available the teachings of the Sufi path The heart s relationship to God is one of the greatest mysteries for He is both far and near both awesome and intimate As he looks at this union s many paradoxes **Longing Love Poems** Chanele TheRockStar,TheRockStar Books Etc,Sam Sund,2013-05-19 poems about a guy loving a girl and not telling her so he spends his days loving her ink and paper **Beauty of True Love** Vanita Godara,2022-01-06 Unconditional love is the greatest power of all David Hawkins And then there was silence Silence in the wake of a prolonged storm that has just passed and all that is left is this silence followed by peace A sense of stillness like the world is at rest everything is serene Yet the peace doesn t really last because the mind filled with ego love is a stranger to this feeling The mind feels anxious as if something is lacking and another storm is on its way which will knock down the building still standing in aftermath of the previous storm And all it is doing is resting in this ephemeral silence while inevitably peace is going to turn into utter chaos This is what the ego love dominated mind is waiting for and surely that loving peace is fading away gradually and the silence is getting replaced with cluttering self limiting thoughts Yet the heart knows that it can hold on to that loving peace forever There doesn t have to be another storm or if there is one it doesn t have to cause noise or havoc The heart knows that to live with peace for all eternity the tether to hold onto is true unconditional love And then only this silence will not be feared by the mind It will just be loved the way it really has to be The sigh of relief can become an everlasting breath of love only if the heart can remove the clutches of fear and all the negative emotions Only if the heart can connect to true love make it the only intention then all the dreams will become reality and the heart will finally be at peace full of inner convictions In this book you will be able to feel this power of unconditional true love residing in your heart As you read you will be encouraged to shift your perspective towards life from existing with ego love to that of living with true love So embark on this journey of recognising the beauty of true love by reading this wonderful collection of poems Simple yet profound these poems will inspire you to look within and connect to your true love Soul Lovers and Soul Makers Dr. Joe G. Vethanayagam,2015-12-29 I was raised in a city with one of the most beautiful and natural beaches I was struck by the beauty of the ocean and the way its waves pushed and pulled along the shoreline always departing but never failing to return And I witnessed how every time the ocean withdrew from the shoreline it left shells behind It happened every single time These shells could have originated from anywhere on the planet But the ocean carried those shells to that particular place where we could pick them up When we get broken we keep trying without giving up just as the ocean refuses to stop coming

Every failure teaches us some lessons Every withdrawal leaves us with some blessings We are never left empty handed as we are getting our share of seashells We collect the shells that are meant for us When we start reaching for love from within and explore our inner potential we bring our awareness into focus and discover our available abundance When our attention is placed within ourselves we do not need an outside source to make us happy to make us heal or to make us who we are meant to be

It's All About Love Fran Wellgood,2019-04-25 What if we loved ourselves more than we could imagine We are told to love ourselves but we don't know how or even why What if we learned actual techniques that helped us love ourselves and align our energy with our Higher Self and the Universe for a more joyous life It's possible and it just takes willingness and practice When we learn and use real tools we are better able to surf the waves of life and meet life with grace When we learn how we are resisting loving ourselves and learn how to allow the love we are to flow through us we utilize the buoyant loving energy of the Universe to flow more smoothly and joyously through life Everything is energy including us When our energy is in balance and flows smoothly we feel harmonious peaceful and aligned with our true nature our Higher Self part of

the Universe This is our natural state Daily life often seems to interrupt our connection with our true state of being By working with our energy and metaphysical principles we can remember who we really are we realign with our true self which is pure Love and experience the ease peace and joy that results Metaphysics is about using the energy we are beyond our body in a practical way while we are in this body By understanding that we are both human and Divine and having compassion for how challenging it is to live in this world we begin to understand Love the most powerful force in the Universe This is not mysterious this is very real and very available to each of us The keys to healing are Love and Willingness The keys are yours for the taking
