in order to love and bless each other's lives      **Catherin & Alexander Love on the Internet** T.R. Espinola, 2013 Catherin Alexander Love on the Internet is about two romantically driven people that have been for the greatest part of their lives unlucky in love They see the romance in the rose opening its bloom for the world to see the beauty held within as well as in the ability for two people with romantic hearts to find each other enjoying the poetic beauty of the world around them However each feels disappointed in the fact that they have not found the person that brings love's star into focus Catherin a hopeful romantic is a woman that craves romance enjoys being a woman and loves being feminine She envisions herself in romantic scenarios with a man that can hold her heart in his hands capable of loving her for the rest of her life On the other hand Alexander is not only a man of action an individual that has always enjoyed adventure never missing an opportunity to feel the adrenaline run through his veins but also a true romantic and a Southern gentleman He believes strength is best found in the way in which a man loves the woman in his life and in the way he lives his life as an example for others to follow After experiencing another bad date he decides to follow the advice of a friend and join an Internet dating site Catherin experiencing a similar situation over six thousand miles away does the same allowing them both to find a love that bridges two completely different worlds uniting their hearts forever together      P.S. I Love You Carlton Jackson, 2007-03-16 In 1953 the same year that Elvis Presley cut his first demo Cash Box magazine named the Hilltoppers the top vocal group of the year Hits such as Trying and P S I Love You raced up the charts and kept the group in Billboard's Top 40 The four fresh faced singers appeared on The Toast of the Town with Ed Sullivan who introduced them to the nation On weekends the Hilltoppers performed in cities across the country but on Monday mornings they were better known as Western Kentucky State College students Jimmy Sacca Seymour Spiegelman Don McGuire and Billy Vaughn The Korean War military drafts and changing public tastes in music however cut short singing careers that should have lasted much longer Sacca was drafted in 1953 mere months before the end of the war Vaughn left the group shortly after that for a career at Dot Records and found fame elsewhere with his orchestra McGuire and Spiegelman were drafted as well and despite a set of temporary replacement members the group eventually called it quits Fifty years later historian Carlton Jackson revisits the Kentucky college kids who made it big between classes He follows the group from their first hit recorded in Western's Van Meter Auditorium to their brief 1970s reunion Their story recalls the nature of celebrity and youth in the early days of rock n roll      **Loved and Cherished** Lynn Cowell, Michelle Nietert, 2020-09-08 Am I loved Am I valuable Am I smart The questions can go on for as long as a girl's imagination and self image allow A girl needs to know that she is enough because of God's love So often girls and women give in to the lies that how they look and how popular they are determines their worth But as children of God we can have the confidence that we are loved protected secure whole and valuable because God is our heavenly father Loved and Cherished equips girls ages 8-12 to Discover perfect unconditional love in God and that she doesn't have to perform or be perfect to receive that love Know she has God's protection despite living in an often scary world Let go of heartaches fears

there can be no question that this masterpiece of the chief doctor of ascetic theology must not be brought down to our level but that we must raise ourselves towards it Aeterna Press      **The Treasure's of Life** Marvis Lewis,2015-05-29 This book is dedicated to those who love life have shared in similar experiences and need positive reinforcement with lifes events We all from time to time need someone to understand what we are feeling or going through in life I hope that upon reading this book it gives you enlightenment and great sense of comfort letting you know that you are not alone      **Poems from the Heart** Jill Renee Grimm,2016-03-11 I didnt decide to write a poetry it just came to me I have always loved poetry and literature Poetry expresses the emotions inside of us that we cant express to a person rather it be love sadness disappointment or remorse Poetry is the words that makes our hearts feel but also teaches us others whom listens to the poems I believe in teaching children at a young age to express with words I believe totally in communication in a marriage or relationship for when we hold it so much inside so why not write what I feel if I cant tell a person I write of love for I have love Love from God even if the neighbor hates me I write of love I believe most f writing I express in words comes from being the third child I was shy as a child and in my marriage I never got to speak the way I felt never was important towards the end of my marriage so I just shut down and wrote      **Because He Loves Me** Elyse Fitzpatrick,2008 Step 1 knowing you can make the change and doing something about it Step 2 knowing where you are and making a plan to get where you want to be Step 3 is the follow through Doing what ever it takes to work your plan If you do not know you can change then you will not make a plan to do so Having no plan means having no follow through No follow through results in a life of disappointments Change plan and follow through      **Agape-Love How Important Is It Anyhow?** Rick Gowdy,2007-05 Gowdy presents a doctrinal analysis of every area in life where godly love will take readers written in an easy to comprehend style Christian **Meditations and Encouragement for the Caregiver of a Loved One with Dementia** Barbara Hinthner,2019-05-15 During my last few years caring for my husband with Lewy body dementia I found lots of medical and psychological information about his disease and other brain dementia disorders but very little to give hope comfort and strength for the caregiver This little book is to provide you some of this as you enter the dark night of the soul My hope is to provide a glimmer of peace and comfort during this dementia trialand it is a trial Until there is a cure my prayers and comfort are yours through this little book      **The Spanish Treasure** Isabella Castelar,1893
