Cavalcade-VI Robert A. Parker,2013-08-12 For six decades writer and editor Robert A Parker has followed up each book he reads mainly novels with an evaluation of that book His comments are informed by his Jesuit upbringing but also by an independent critical view that balances a moral and literary sensibility In this sixth of six volumes the authors covered range from Ignazio Silone to Emile Zola They include Solzhenitsyn Spark Stegner Styron Tanizaki Tolstoy Turow Unsworth Updike Vargas Llosa Warren Waugh and Wilder The commentaries are listed alphabetically by author and the books by the date of publication At least 115 authors are included in this volume some represented by one book some by five or more The writers here represent a broad range of writing styles cultural influences and moral philosophies And all are rated on their literary achievement on plot character and setting plus the moral ethical and spiritual values of mankind Here the meaning of literature is measured against the meaning of life

Escape from Church, Inc. E. Glenn Wagner,2011-05-03 A call for pastors to return to their biblical calling as shepherds *Escape from Church Inc* calls pastor leaders away from the business executive model of doing church and back to the model of a caring shepherd who tends his sheep Wagner offers a practical and biblically sound view of how pastors can become all God intended them to be and guides them into new vision new values and a new way of pastoring that begins not with doing but with seeing and being

Healing for the Heart Peggy Holt,2012-05-30 Cancer fibromyalgia and rheumatoid arthritis are just a few of the chronic illnesses that plague many Americans and Christians are not exempt Living with a serious illness is not easy The challenges extend far beyond the physical realm and maintaining a strong Christian testimony is difficult Growing in godliness and pleasing God do not come naturally In the midst of such complex challenges even the most mature Christians need help They need more than just shared life stories or practical tips for facing their disease They need more than poignant illustrations to inspire them or amusing anecdotes to make them laugh While each of these aspects is helpful what sufferers need most is the encouraging truth of the Bible Only the supernatural unchanging Word of God can give genuine comfort and effective help *Healing for the Heart* is a devotional designed for Christians who are serious about seeking Gods help in their time of illness The entries are focused on Bible truths and are designed to provide encouragement instruction and gentle challenge Strengthen your heart on a daily basis with this biblically based and compassionately shared truth

Memories F. Max Müller,2022-09-04 F Max Müller s *Memories* serves as a fascinating introspection into the life and thought processes of one of the most pivotal figures in the field of comparative religion and linguistics during the 19th century The book is structured as a series of autobiographical reflections elegantly weaving personal anecdotes with scholarly insights Müller s literary style is characterized by its eloquent prose and an almost lyrical quality allowing readers to traverse the landscapes of his experiences while engaging deeply with the broader intellectual currents of his time such as Romanticism and the emergence of modern linguistics The text not only sheds light on his

contributions to philology and Indology but also captures the zeitgeist of a rapidly evolving Victorian society grappling with questions of faith and knowledge Friedrich Max Müller born in 1823 in Germany became an influential scholar who was instrumental in bringing Indian philosophy and literature to the Western audience His extensive studies of sacred texts and his passionate belief in the value of cross cultural understanding informed his writings The intellectual rigor combined with a personal touch in *Memories* reflects the rich tapestry of his life shaped by his experiences across Europe and India and his pursuit of knowledge as a bridge between cultures I highly recommend *Memories* to readers who are interested in the intersections of personal narrative and scholarly work as well as those who wish to explore the development of religious and linguistic studies This book not only provides an intimate portrayal of Müller's life but also invites readers to recognize the enduring relevance of his insights into the human experience
