**Triangular Teaching** Barbara Bruce, 2010-10-01 Barbara Bruce wrote *Triangular Teaching* to help teachers and leaders to engage their adult students with scripture so that it becomes life changing. This practical hands on book trains Christian education leaders and teachers in the methods of triangular teaching an integrated approach involving multiple intelligence theory brain research and creative and critical thinking. It includes a section explaining triangular teaching methods and Bible lessons that illustrate the methods. The book includes helpful triangular teaching tips for the activities described in the Bible lessons. An appendix includes worksheets that a leader or teacher can photocopy for use in a group. Barbara Bruce has created a delightful resource for those who want to teach the Bible effectively and engagingly to contemporary adults. Not only does the book give you pre planned lessons but it explains the theories behind each teaching decision. This combination of theory and practice will quickly teach teachers to teach more effectively. Dr Margaret Ann Crain Associate Professor of Christian Education Garrett Evangelical Theological Seminary *Triangular Teaching* is an excellent tool for teaching church educators how to be more proficient in facilitating learning. It is a trailblazing resource that weaves three concepts with great clarity and sharing the whys is quite helpful in enabling teachers to develop the skills as second nature. [Loving God with Your Mind](#) Paul Gould, Richard Brian Davis, 2013-12-18 Over the past twenty five years no one has done more than J P Moreland to equip Christians to love God with their minds. In his work as a Christian philosopher scholar and apologist he has influenced thousands of students written groundbreaking books and taught multitudes of Christians to defend their faith. In honor of Moreland's ministry general editors Paul M Gould and Richard Brian Davis have assembled a team of friends and colleagues to celebrate his work. Shaw, 2021-03-17 The sacred secular divide permeates our churches our seminaries and our lives By perpetuating the false belief that there are some areas of life that are not important to God some callings that are second class and some spheres of society that are not worth engaging the sacred secular divide diminishes our understanding of God discipleship missiology and the gospel itself Seeking to liberate the global church from the power of this dichotomy Whole Life Mission for the Whole Church provides theological educators with the tools they need to combat the sacred secular divide in the very realm where it is so often generated the classroom Filled with contributions from practitioners around the world this book contains a wealth of insight into both the nature of the problem and the possibilities for its solution The approaches suggested here are biblically rooted contextually appropriate and experientially tested offering an excellent resource for educators desiring to transform their institutional cultures curriculums and classrooms into environments that envision empower and liberate the whole church for its role in the mission of God **THE POWER OF THE YOKES** Carlton Foster, 2024-06-26 **THE POWER OF THE YOKES** allows you to tap into deeply hidden emotions and gives you a new perspective on how the enemy can entrap you Every unconfessed sin creates an open door for you to be yoked by Satan It teaches you that God may not spare you from pain but He will never abandon you God uses your pain to mold you and prepare you for a harvest This book reassures you never to give up and that even when it seems like God is silent He is holding you in the palm of His hands When you are yoked you are

*Sports Ministry* David B. Lewis, David Irby, William Galipault, Wayne Rasmussen, 2023-03-22 The hope of the Gospel is a universal message and sports are arguably the universal language Sharing the former through the latter is a powerful combination for changing lives For students with a heart for both the field of sports ministry presents an idyllic career opportunity Until now there has never been a college textbook devoted to sports ministry With the arrival of Sports Ministry college and university instructors have a dedicated text for educating students on the how to process of developing viable sports ministry programs that share the Word and positively influence the world in which we live Chapters dedicated to fiscal responsibility facility management and legal matters educate students on the corporate aspects of running a sports ministry program while discussions centering on the intersection of sports and faith compel students to contemplate positive and negative aspects of competition whether competitive sport is compatible with faith and ethical behavior in sport In addition students will gain a historical perspective of the sports ministry movement and be introduced to many sports ministries serving today at the local regional national and international levels With Sports Ministry students will gain the knowledge and tools to share their faith and offer hope to

others through the universal language of sport Ancillaries for adopting instructors are available online [A New Monastic Handbook](#) Ian Mobsby,2014-07-30 Two leading practitioners of new monasticism open up the movement's spiritual landscape and its distinctive calling and gifts within today's church Practical experience and story is set alongside reflection and liturgies as a creative resource for all who are already involved in or are exploring intentional living in community

**The Second Commandment** Joey R. Peyton,2024-02-07 In an increasingly broken world filled with hate and violence God's plan from the beginning was to save and restore the world to the glory for which he had created it This simple plan has not changed with the evolution of sin time or man's rejection of his creator Rather God's simple twofold plan of redemption included both a commandment to love the creator with all one's heart mind soul and strength and a commandment to love one's neighbor as one's self Neither commandment stands in isolation for one cannot fully love others without a consuming love for God and neither can one completely love God without a love for the neighbor created by God The answer to hate is love the answer to war is love the answer to violence is love and the answer to all of societal disfunction is love The answer is not a commandment to like God and others because one only likes others because of likeness Rather love is a choice A choice to love what you don't like A choice to love what you don't understand A choice to love until the God you love sets everything right in eternity
