Low Man On A Totem Pole:

Low Man on a Totem Pole H Allen Smith, 2015-07-27 H Allen Smith has sometimes been referred to as the best selling humorist since Mark Twain. Considering that he wrote against the likes of James Thurber, Robert Benchley, and S J Perelman, that's quite a statement and probably true. He sold a million copies of each of his first several books, starting with *Low Man on a Totem Pole*. In this book, which might be called a fraction of his memoirs, Mr Smith claimed he could have filled twenty he recounts the high points of his life amid the human race, a race he appreciated and observed with a keen nose for the humor hiding in the most unexpected places. Here is a panorama of unlikely people who really existed, of inconceivable things that actually happened, of the commonplace rarities of our frenzied epoch. Among others, there is the newspaperman who suffered under the delusion that Herbert Hoover had bladders on his feet, the man who thoughtfully and perpetually bounced turtle eggs on a bar, a deaf dentist who trained his dog to act as his receptionist, a child prodigy who couldn't talk any too well but appeared to know more about swing music than the head usher at the Paramount Theater. All these are part of Mr Smith's life and times.

Low Man on a Totem Pole Harry Allen Smith, 1961 *Low Man on a Totem Pole*, 1945 *Low Man on a Totem Pole, with Introduction by Fred Allen* Harry Allen Smith, The Low Man on the Totem Pole, 2009. My father was a kind man with a great sense of humor, but he also taught me some important life lessons, such as what it means to be the low man on the totem pole. It seems as though I've spent a lot of time in that position, but at least from there, things are always looking up.

New to this edition: A new preface noting slang trends of the last five years; Over 1,000 new entries from the US, UK, and Australia; New terms from the language of social networking; Many entries now revised to include new dating, new citations from written sources, and new glosses. *The New Partridge Dictionary of Slang and Unconventional English* is a spectacular
