Loyola Treasury Of Saints From The Time Of Jesus To The Present Day:

The Loyola Treasury of Saints David Self, 2003 Chronicles the lives of several Christian saints My Best Teachers Were Saints Susan H. Swetnam, 2009-04-30 Discipline problems self doubt tense meetings classroom stress Couldn't every teacher use some saintly help Every teacher can think of at least one mentor who has served as an inspiration over the years However many teachers even those with a Catholic faith might not have considered that saints can serve as mentors Author and teacher Susan H Swetnam believes that saints aren't only good teachers they're the best teachers In My Best Teachers Were Saints Swetnam focuses on fifty two saints many of them teachers who faced challenges similar to those that nearly all educators face today from indifferent students and recalcitrant colleagues to their own limitations and feelings of isolation With the examples of saints such as Augustine Ignatius of Loyola and Scholastica Swetnam eagerly shares how their words and deeds helped immensely in her own career as a teacher and how they can aid and inspire other educators as well Anyone involved in education whether teaching religion or mathematics kindergartners or graduate students will discover within these pages a treasure trove of saintly help that is sure to prove that the best teachers are in fact saints Saints and Feast Days Sisters of Notre Dame Chardon Ohio, 2006-08 The saints come alive in this book of saint biographies with stories of men and women from many places time periods and walks of life Each saint biography includes suggested activities Fostering Children's Faith Jeanne Hall, 2012-03-29 Fostering faith in children is a shared privilege and responsibility of parents godparents and the church community We promise our children at baptism that we will support them in their faith formation in the formation of their relationship with God We need to take this promise seriously This book is intended to be an accessible and helpful resource for parents and other adults who seek to foster children's faith This book succinctly explores many ways we can support children's faith formation including our day to day interactions with children the images of God we share with them how we pray together the rituals we create service opportunities we provide music we share together the stories we tell and listen to our celebration of the sacraments and more While this book has a distinctly Roman Catholic orientation much of the content will be relevant for a wider Christian audience Lastly but perhaps most importantly this book is rooted in the conviction that the God we seek relationship with and that we hope to foster our children's relationship with is one who is infinitely loving welcoming and always yearning for deeper connection with us *The Publishers Weekly*, 2003

Forthcoming Books Rose Arny, 2003 **A Treasury of Saints** Malcolm Day, 2002 The lives of 100 Christian saints are chronicled in brief enlightening biographies supplemented with summaries of their good works and the miracles attributed to them Most profiles come with a full color illustration of the saint and many illustrations are reproductions of paintings by famous artists This anthology of saints spans two thousand years of history from an account of the life of Mary the mother of Jesus to the story of Maximilian Kolbe who at Auschwitz in 1941 sacrificed his own life to save the life of another prisoner of the Nazis Other holy figures included in this collection are Francis of Assisi the patron of animals and nature Vincent de Paul

the patron of charitable societies Benedict the founder of European monasticism Joan of Arc who defended France in battle and Thomas Aquinas the renowned scholar and philosopher Also portrayed are several of Christ's apostles as well as the angels Michael and Raphael Cross references in many accounts direct readers to connections with other saints Both patronage and symbolism are explained as they are traditionally connected with each of the book's historic figures More than 150 full color illustrations
