**Lucid Dreaming Made Easy. Your Quick-Access Guide to Lucid Dreams** Nico Klingler,2015-09-17 Pre University Paper from the year 2011 in the subject Philosophy Miscellaneous language English abstract Let us make a thought experiment We assume that the average life span of a citizen is around eighty years A day lasts 24 hours We know the length of one s sleep per night and how many days there are in a year A fact that is anything but a mystery emerges we doze around somewhere between twenty and twenty five years of our life In a dream there are no laws of physics no rules There is nothing impossible in a dream The fascination induced by the idea of freedom that can be lived by one in a lucid dream led me to choosing this topic for my study After prolonged thought on an adequate question for my study I have decided in favor of the following question Can people learn lucid dreaming To answer this question I will proceed as follows The first part of the study provides the necessary theory This is systematically described under the topic

Lucid dream In the theory part you will find the foundations on sleep phases dream activity various types of dreams and dream content Then the topic of lucid dreams is explained precisely based on the definition given by Paul Tholey the most important concepts will be made available to you in the lucid dream vocabulary section The second and practical part of the study consists of a lucid dream workshop which should make practicing and mastering lucid dreams as accessible as possible You will be presented various techniques and exercises that are designed to help you induce a lucid dream For this study the lucid dream workshop has been carried on by a test subject and tested by the author himself in a self experiment in order to verify the accessible character of the workshop The full workshop is available to you in the Appendix

**Lucid Dreaming Made Easy** Charlie Morley, 2018-09-25 An accessible introduction to the theory practice and innovative techniques behind becoming lucid in your dreams Lucid dreaming is the art of becoming conscious within your dreams Charlie Morley has been lucid dreaming since he was a teenager and has trained with both Eastern and Western experts in this profound practice In this introductory guide Charlie explains how lucid dreaming is a powerful gateway into the subconscious mind and how it can help the reader transform improve and heal all areas of their life In this book the reader will learn to use the virtual reality of the dream state to Explore creative ideas Understand addictions and unhealthy behaviours Heal phobias and overcome fears Forgive the past Live a more awakened life This title was previously published within the Hay House Basics series

**Lucid Dreaming** Robert Waggoner, 2008-10-01 Lucid Dreaming Gateway to the Inner Self is the account of an extraordinarily talented lucid dreamer who goes beyond the boundaries of both psychology and religion In the process he stumbles upon the Inner Self While lucid consciously aware in the dream state and able to act and interact with dream figures objects and settings dream expert Robert Waggoner experienced something transformative and unexpected He was able to interact consciously with the dream observer the apparent Inner Self within the dream At first this seemed shocking even impossible since psychology normally alludes to such theoretical inner aspects as the Subliminal Self the Center the Internal Self Helper in vague and theoretical ways Waggoner came to realize however that aware interaction with the Inner Self was not only possible but actual and highly inspiring He concluded that while aware in the dream state one has both a psychological tool and a platform from which to understand dreaming and the larger picture of man's psyche as well Waggoner proposes 5 stages of lucid dreaming and guides readers through them offering advice for those who have never experienced the lucid dream state and suggestions for how experienced lucid dreamers can advance to a new level Lucid Dreaming offers exciting insights and vivid illustrations that will intrigue not only avid dreamworkers but anyone who is interested in consciousness identity and the definition of reality

**A Field Guide to Lucid Dreaming** Dylan Tuccillo, Jared Zeizel, Thomas Peisel, 2013-09-10 Imagine being able to fly Walk through walls Shape shift Breathe underwater Conjure loved ones or total strangers out of thin air Imagine experiencing your nighttime dreams with the same awareness you possess right now fully functioning memory imagination and self awareness Imagine being able to use this power to be more creative solve problems

and discover a deep sense of well being This is lucid dreaming the ability to know you are dreaming while you are in a dream and then consciously explore and change the elements of the dream A Field Guide to Lucid Dreaming with its evocative retro illustrations shows exactly how to do it Written by three avid experienced lucid dreamers this manual for the dream world takes the reader from step one learning how to reconnect with his or her dreams through the myriad possibilities of what can happen once the dreamer is lucid and an accomplished oneironaut a word that comes from the Greek oneira meaning dreams and nautis meaning sailor Readers will learn about the powerful REM sleep stage a window into lucid dreams Improve dream recall by keeping a journal The importance of reality checks such as The Finger during the day try to pass your finger through your palm then when you actually do it successfully you ll know that you re dreaming And once you become lucid how to make the most of it Every time you dream you are washing up on the shores of your own inner landscape Learn to explore a strange and thrilling world with A Field Guide to Lucid Dreaming
