The Luck of Roaring Camp Bret Harte,2008-02 Francis Bret Harte 1837 1902 was an American author and poet best remembered for his accounts of pioneering life in California His first literary efforts including poetry and prose appeared in The Californian an early literary journal

The Luck of Roaring Camp and Other Stories and Sketches Bret Harte,2014-09-25 America has always had a fascination with the Wild West and schoolchildren grow up learning about famous Westerners like Wyatt Earp Buffalo Bill Wild Bill Hickok as well as the infamous shootout at O K Corral Pioneering and cowboys and Indians have been just as popular in Hollywood with Westerners helping turn John Wayne and Clint Eastwood into legends on the silver screen HBO s Deadwood about the historical 19th century mining town on the frontier was popular last decade Not surprisingly a lot has been written about the west and one of the best known writers about the west in the 19th century was Francis Bret Harte 1836 1902 who wrote poetry and short stories during his literary career Harte was on the west coast by the 1860s placing himself in perfect position to document and depict frontier life Harte s The Luck of Roaring Camp and Other Stories and Sketches contains over a dozen stories including The Outcasts of Poker Flat and The Idyl of Red Gulch

The Luck of Roaring Camp and Other Tales Bret Harte,2015-11-26 The opportunity here offered Footnote By the appearance in England several years ago of an edition of the author s writings as then collected to give some account of the genesis of these Californian sketches and the conditions under which they were conceived is peculiarly tempting to an author who has been obliged to retain a decent professional reticence under a cloud of ingenious surmise theory and misinterpretation He very gladly seizes this opportunity to establish the chronology of the sketches and incidentally to show that what are considered the happy accidents of literature are very apt to be the results of quite logical and often prosaic processes The author s first volume was published in 1865 in a thin book of verse containing besides the titular poem The Lost Galleon various patriotic contributions to the lyrics of the Civil War then raging and certain better known humorous pieces which have been hitherto interspersed with his later poems in separate volumes but are now restored to their former companionship This was followed in 1867 by The Condensed Novels originally contributed to the San Francisco Californian a journal then edited by the author and a number of local sketches entitled Bohemian Papers making a single not very plethoric volume the author s first book of prose But he deems it worthy of consideration that during this period i e from 1862 to 1866 he produced The Society upon the Stanislaus and The Story of M liss the first a dialectical poem the second a Californian romance his first efforts toward indicating a peculiarly characteristic Western American literature He would like to offer these facts as evidence of his very early half boyish but very enthusiastic belief in such a possibility a belief which never deserted him and which a few years later from the better known pages of The Overland Monthly he was

able to demonstrate to a larger and more cosmopolitan audience in the story of The Luck of Roaring Camp and the poem of the Heathen Chineese But it was one of the anomalies of the very condition of life that he worked amidst and endeavored to portray that these first efforts were rewarded by very little success and as he will presently show even The Luck of Roaring Camp depended for its recognition in California upon its success elsewhere Hence the critical reader will observe that the bulk of these earlier efforts as shown in the first two volumes were marked by very little flavor of the soil but were addressed to an audience half foreign in their sympathies and still imbued with Eastern or New England habits and literary traditions Home was still potent with these voluntary exiles in their moments of relaxation Eastern magazines and current Eastern literature formed their literary recreation and the sale of the better class of periodicals was singularly great Nor was the taste confined to American literature The illustrated and satirical English journals were as frequently seen in California as in Massachusetts and the author records that he has experienced more difficulty in procuring a copy of Punch in an English provincial town than was his fortune at Red Dog or One Horse Gulch An audience thus liberally equipped and familiar with the best modern writers was naturally critical and exacting and no one appreciates more than he does the salutary effects of this severe discipline upon his earlier efforts *The Writings of Bret Harte: The luck of Roaring Camp* Bret Harte, 1906
