Lucky Stars And Gold Bars:

Dumb but Lucky! Richard Curtis,2007-12-18 Second lieutenant Dick Curtis arrived in Italy in May 1944 twenty years old and part of a shipment of P 51 Mustang fighter pilots so desperately needed that they were rushed into combat with less than thirty hours of flight time in their new high performance aircraft Six of the twelve pilots assigned to the 52nd Fighter Group were shot down in the first two weeks By his ninth mission Curtis was the only one still flying A maverick he barely escaped court martial with his high flying antics Escorting bombers sent to pound heavily defended oil fields was risky enough but strafing the enemy supply lines ports and airfields was even more dangerous Curtis may chalk up his success to dumb luck but these missions took exceptional skill and courage This hair raising account captures the air war in all its split second terror and adrenaline pumping action *The War* Geoffrey C. Ward,Ken Burns,2007-09-11 The vivid voices that speak from these pages are not those of historians or scholars They are the voices of ordinary men and women who experienced and helped to win the most devastating war in history in which between 50 and 60 million lives were lost Focusing on the citizens of four towns Luverne Minnesota Sacramento California Waterbury Connecticut Mobile Alabama The War follows more than forty people from 1941 to 1945 Woven largely from their memories the compelling unflinching narrative unfolds month by bloody month with the outcome always in doubt All the iconic events are here from Pearl Harbor to the liberation of the concentration camps but we also move among prisoners of war and Japanese American internees defense workers and schoolchildren and families who struggled simply to stay together while their men were shipped off to Europe the Pacific and North Africa Enriched by maps and hundreds of photographs including many never published before this is an intimate profoundly affecting chronicle of the war that shaped our world **My Lucky Stars** Shirley MacLaine,2011-05-04 NEW YORK TIMES BESTSELLER In this touching memoir Academy Award winning actress Shirley MacLaine dishes up revelations and insights galore USA Today about her career in Hollywood Robust ribald stories juicy People In the memoir that made headlines Shirley MacLaine dazzles us with the subject she knows most intimately Hollywood especially about the men and women her lucky stars who touched and challenged her life She talks candidly and personally about Her wildly unconventional marriage to Steve Parker As soon as we met I knew my life was to take a new course Our connection had the shock of destiny to it There was nothing I could have done to alter or avoid the experience we were intended to have together Her friendship with the Rat Pack especially Frank Sinatra I was comfortable and friendly being around the guys in the group because I was perceived by most of them as a mascot I was the only woman they allowed in the house but that was because there had been a kind of communal decision made that I wasn't really a girl I was a pal maybe even one of the boys The movie she made with Dean Martin and Jerry Lewis Dean not Jerry was the funny one to me His humor was subtle spontaneous a result of the moment Jerry's was brilliant but usually premeditated And much much more **Lucky Stars and Gold Bars** Karen Sladek,Lyle Virgil Sladek,2003 A heartwarming family saga set at the time

America emerged from the Great Depression and into the throes of World War II Told through a soldier s 400 letters to his parents from thirty five states five continents and three theaters of war this history reads like a novel Original
