

Lucky to Be A Yankee

By JOE
DI MAGGIO

Lucky To Be A Yankee

William Carlson Bishop

Lucky To Be A Yankee:

Lucky to be a Yankee Joe DiMaggio, 1951 *America's Game* Bryan Soderholm-Difatte, 2018-06-08 This comprehensive survey of major league baseball looks at the national pastime's legendary figures, major innovations and pivotal moments from the beginning of the twentieth century through World War II. In *America's Game: A History of Major League Baseball through World War II*, Bryan Soderholm-Difatte provides a comprehensive narrative of the major developments and key figures in Major League Baseball during a time when the sport was still truly the national pastime. Soderholm-Difatte details pivotal moments including the founding of the American League, the 1919 Black Sox scandal, and navigating the Great Depression and two World Wars, and concludes with a chapter examining the exclusion of black ballplayers from the major leagues. Central personalities covered in this book include baseball executives Judge Landis and Branch Rickey, managers John McGraw and Joe McCarthy, and iconic players such as Babe Ruth and Ty Cobb. *America's Game* isn't simply about celebrating the exploits of great players and teams; it is just as much about the history of Major League Baseball as an institution and the evolution of the game itself. With significant changes taking place in baseball in recent times, this book will remind baseball fans young and old of the rich history of the game.

Pinstripe Nation William Carlson Bishop, 2024-01-12 Whether loved or reviled, the New York Yankees have had an impact on American culture that extends well beyond baseball. Since the early twentieth century, movies, novels, memoirs, pop songs, and even TV sitcoms have either dealt directly with the Bronx club and its star players or incorporated key elements of Yankee iconography. In *Pinstripe Nation*, Will Bishop explores the myriad ways in which the Yankees and their successes and spectacular failures became interwoven with the nation's larger cultural narrative. In 1920, with their acquisition of Babe Ruth, the Yankees rose to prominence. With his power-hitting style, attracting legions of new fans, the Great Bambino became a national hero of the Roaring Twenties. In contrast to Ruth's flamboyance, his less flashy successors, Lou Gehrig and Joe DiMaggio, captured the spirit of striving and courage that carried America through the Depression and WWII years. The *Pride of the Yankees*, a popular movie celebrating Gehrig's career, and the Hemingway novella *The Old Man and the Sea*, whose protagonist reveres DiMaggio, typified the trend. Mirroring the nation's postwar swagger and confidence, the club of the Mickey Mantle era remained hugely popular, but Yankee-hating set in as well. Novels like Mark Harris's *The Southpaw* and Douglass Wallop's *The Year the Yankees Lost the Pennant* signified a widespread resentment of the team's outsized dominance. Amid the national turmoil of the 1960s, the Yankees also went into decline. In the following decades, as player salaries soared and team infighting grabbed headlines, the once-glowing portrayals of the team gave way to tell-all books like *Ball Four* and *The Bronx Zoo*. Yet, as this informative and entertaining book amply shows, the Yankees have, through all their ups and downs, retained a hold on the American imagination unmatched by any other sports franchise.

Courting the Yankees Ettie Ward, 2003 In a series of twenty-one original articles by legal scholars, editor Ettie Ward and the contributors examine both baseball law and baseball lore. By focusing on the famous New York

Yankees and incidents involving the team and the Yankee franchise the book explores a wide range of legal issues as they relate to baseball The chapters are organized so that the sports fan even if neither a lawyer nor a Yankees fan is invited to read about sports and learn about the law Baseball aficionados will enjoy the added insights provided by the discussion of various legal concepts and lawyer sports fans will gain greater insight as to the application of familiar legal principles on and off the baseball diamond The chapters cover some topics that would ordinarily be covered in a sports law course as well as others that would not

Joe McCarthy Alan H. Levy,2014-11-18 Joe McCarthy was headed towards a career as a plumber until the parish priest intervened and convinced McCarthy s mother that he could make more of himself in baseball She relented and Joseph Vincent McCarthy embarked on a career that ranks him among the greatest managers ever In 24 years his teams took nine pennants seven World Series titles and never finished lower than fourth This biography of Joe McCarthy details the 90 year life of one of the greatest managers in baseball s history Baseball was McCarthy s ticket out of a working class existence in Germantown Pennsylvania taking him to college the minor leagues managerial stints in baseball s backwaters and on to remarkable years with the Yankees Cubs and Red Sox years filled with triumph and heartbreak Seven championships and the highest managerial winning percentage ever earned him entry to the Hall of Fame but McCarthy will always be remembered for his deft handling of his players McCarthy s ability to handle even unmanageable players won him the respect of all His effect on the lives of his young charges was in his mind his greatest legacy **Yankees** Maury Allen,2004 Legendary sports columnist Maury Allen captures the dramatic and emotional highlights of the careers of 50 former New York Yankee fan favorites including Dooley Womack and Phil Linz *Catalog of Copyright Entries* ,1942

Will Big League Baseball Survive? Lincoln Mitchell,2017 Major League Baseball is a beloved American institution that has been a product of the economic social and media structures that have evolved in the United States over the last century In his shrewd analysis Will Big League Baseball Survive Lincoln Mitchell asks whether the sport will continue in its current form as a huge lucrative global business that offers a monopoly in North America and whether those structures are sustainable Mitchell places baseball in the context of the larger evolving American and global entertainment sector He examines how both changes directly related to baseball including youth sports and the increased globalization of the game as well as broader societal trends such as developments in media consumption and celebrity culture will impact big league baseball over the next few decades His book ultimately proposes several possible scenarios for what big league baseball might look like Will it become more global smaller or remain the same or will it transform into some kind of hybrid of the three **Call the Yankees My Daddy** Cecil Harris,2005 **High Points in the Work of the High Schools of New York City** New York (N.Y.).
