fact that her skin is dark like mocha latte while all her cousins are white Or is there as Kiara s mother keeps hinting much more to the story Told from the point of view of a teenager with spot on observations and hilarious insights this is the story of three generations of stubborn and charmingly funny women **Ben and the Sudden Too-Big Family** Colby

Rodowsky,2007-03-20 Ben s philosophy of life is that there are two categories of things that happen the all right stuff and the not all right stuff Ben has always lived with just his dad Mitch which definitely falls into the all right category When Mitch meets Casey and they decide to get married that turns out to be all right too Then Mitch and Casey decide to adopt a baby from China and Ben isn t sure which category the whole baby thing is going to fit into After the baby comes home it s all right Casey and Mitch announce that the four of them as a family are going on vacation with Casey s family All twenty three of them Ben is sure this will not be all right How eleven year old Ben finds his place in a crazy big family makes this a funny novel about family and what it means to be a part of one Incident at Devil's Finger Larry Witham,2023-11-02 On a
