Lucys Wish:

Lucy's Wish Joan Lowery Nixon, 2013-11-27 Ten year old Lucy Griggs's mother has just died leaving Lucy orphaned and living on the streets of 1866 New York City. Then Lucy hears about the Children's Aid Society, a group that sends orphans out West to new homes. Lucy knows she'll never replace her mum but maybe now she'll find a family and even a little sister to love. But the family that takes her in is far from ideal. Mr Snapes seems kind but Mrs Snapes is a bitter angry woman. And Emma isn't the sister Lucy has dreamed of. Emma is a girl who people call simple. Can Lucy learn to love this less than perfect family?

Lucy's Wish Brian Croasmun, 2024-10-14 The Santa in the shed has been identified and Lucy has to decide if her Christmas wish has come true. Instead of being happy and fulfilled, life at home and school has become more complex. Lucy's teacher Ms Jackson has become more important to the family than just her teacher. Has Lucy's wish come true or has it led to a greater problem than an unknown Santa living in their shed?

Lucy's Wishes, Or, The Folly of Idle Thoughts Jane Taylor, 1836 This book tells the story of a little girl named Lucy.

Lucy Maud Montgomery, It was the forenoon of a hazy breathless day and Dan Phillips was trouting up one of the back creeks of the Carleton pond It was somewhat cooler up the creek than out on the main body of water for the tall birches and willows crowding down to the brim threw cool green shadows across it and shut out the scorching glare while a stray breeze now and then rippled down the wooded slopes rustling the beech leaves with an airy pleasant sound Out in the pond the glassy water creamed and shimmered in the hot sun unrippled by the faintest breath of air Across the soft pearly tints of the horizon blurred the smoke of the big factory chimneys that were owned by Mr Walters to whom the pond and

adjacent property also belonged Mr Walters was a comparative stranger in Carleton having but recently purchased the factories from the heirs of the previous owner but he had been in charge long enough to establish a reputation for sternness and inflexibility in all his business dealings One or two of his employees who had been discharged by him on what they deemed insufficient grounds helped to deepen the impression that he was an unjust and arbitrary man merciless to all offenders and intolerant of the slightest infringement of his cast iron rules Dan Phillips had been on the pond ever since sunrise The trout had risen well in the early morning but as the day wore on growing hotter and hotter they refused to bite and for half an hour Dan had not caught one He had a goodly string of them already however and he surveyed them with satisfaction as he rowed his leaky little skiff to the shore of the creek Pretty good catch he soliloquized Best I ve had this summer so far That big spotted one must weigh near a pound He s a beauty They re a good price over at the hotels now too I ll go home and get my dinner and go straight over with them That ll leave me time for another try at them about sunset Whew how hot it is I must take Ella May home a bunch of them blue flags They re real handsome He tied his skiff under the crowding alders gathered a big bunch of the purple flag lilies with their silky petals and started homeward whistling cheerily as he stepped briskly along the fern carpeted wood path that wound up the hill under the beeches and firs He was a freckled sunburned lad of thirteen years His neighbours all said that Danny was as smart as a steel trap and immediately added that they wondered where he got his smartness from certainly not from his father The elder Phillips had been denominated shiftless and slack twisted by all who ever had any dealings with him in his unlucky aimless life one of those improvident easygoing souls who sit contentedly down to breakfast with a very faint idea where their dinner is to come from When he had died no one had missed him unless it were his patient sad eyed wife who bravely faced her hard lot and toiled unremittingly to keep a home for her two children Dan and a girl two years younger who was a helpless cripple suffering from some form of spinal disease Dan who was old and steady for his years had gone manfully to work to assist his mother Though he had been disappointed in all his efforts to obtain steady employment he was active and obliging and earned many a small amount by odd jobs around the village and by helping the Carleton farmers in planting and harvest For the last two years however his most profitable source of summer income had been the trout pond The former owner had allowed anyone who wished to fish in his pond and Dan made a regular business of it selling his trout at the big hotels over at Mosquito Lake This in spite of its unattractive name was a popular summer resort and Dan always found a ready market for his catch
