Hope Gary Salmons, 2022-12-29 It s impossible to miss Our culture is convulsing Something fundamental has gone awry out of whack as the wise ones used to say It's no exaggeration to say that every day one picks up the newspaper or tunes in the TV news another cataclysmic event has occurred So what s the solution What do we do We ve tried political remedies to no avail We ve swung back and forth to two extremities on the political continuum We ve placed our faith in policies to pull us out of the predicament nonetheless our nation is divided like never before Are we hopeless If we continue to view human solutions as our answers then maybe the answer is sadly yes But what if we considered Christ and his gospel as the counters to our collapsing culture He is What if the principles held forth by the Prince of Peace could dissolve all international conflicts They can This book was written to ignite hope to encourage comfort and urge its readers according to 1 Thessalonians 12 2 Sometimes it seems as if we need a life raft as we drift upon these stormy seas May these reflections **Duende** Quincy Troupe, 2022-07-26 The selected poems from over fifty years by the great poet and bring you peace 1 biographer and friend of Miles Davis Quincy Troupe writes poetry in great waves The words are just notes It s the music you make with them that matters He s not a wordsmith he s a shaman conjuring long repetitive lines cadences of looking across the sea towards Africa and haunted by the legacy of slavery and racism or of remembering fellow conjurers poets and musical artists celebrating always celebrating but never only that In the fifty page incantatory poem Ghost Voices there is a longing to be reconnected to the past and a longing too to be free of it In the short title poem Duende For Garc a Lorca and Miles Davis there lies nakedly Troupe's credo secrets mystery infused in black magic that enters bodies in forms of music art poetry imbuing language with sovereignty in blood spooling back through violent centuries. The version of the great poem Avalanche number 3 that appears here is different from the version of the same poem he published nearly 25 years ago in exactly the same way that a jazz artist picks up his horn to play the same song a little differently every time Troupe is a generous and gregarious poet in this giant offering that includes many new poems as well as a selection chosen from across his eleven previously published volumes What's remarkable is the constancy the energy and how he's always looking right at you in the here and now and at the same time sees something over your shoulder that others don't see yet maybe a distant storm gathering over the waters something we re going to need to rise up and face soon enough **Under a False Flag** Tom Gething, 2012-06-04 October 1972 Will Porter joins the CIA's secret war against Chile's Marxist president Salvador Allende Working under cover Will's job is to manage the dirty money going to fund the opposition and to disrupt the Chilean economy As protests general strikes and paramilitary terrorism bring Chile to the brink of civil war Will learns just how far the CIA will go to achieve its objective A budding friendship with university student Ernesto Manning and his beautiful sister Gabriela complicates Will's job and threatens to blow his cover In a turbulent world of deceivers and deceived Will must choose between friendship and betrayal truth and lies love and duty Based on historical events this compelling novel brings to life a tragic moment that changed the course of a nation It is not a part of American history that we are proud of said
