Doyle,Joel Fishman,Paul Richert**

North Carolina Criminal Law And Procedure 1999 Ed:

Searching the Law - The States Francis R Doyle, 2022-11-14 This revised two volume set reproduces the easy to use logically organized format of *Searching the Law* for each of the 50 U S states Arranged by state and by topic within each state it features a complete list of all the legal research materials available for each state jurisdiction thousands of citations to the legal literature of each state materials applicable to more than one topic listed under each topic repeated listings under each state and topic where they apply and author title publisher format and the latest known supplement for each citation *Searching the Law The States* is the companion text to *Searching the Law Together* the sets form one of the most comprehensive logical legal reference sources available Published under the Transnational Publishers imprint The print edition is available as a set of two volumes 9781571052872 The American Catalogue ,1905 American national trade bibliography Encyclopedia of American Civil Rights and Liberties Kara E. Stooksbury, John M. Scheb II, Otis H. Stephens Jr., 2017-09-21 Thoroughly updated and featuring 75 new entries this monumental four volume work illuminates past and present events associated with civil rights and civil liberties in the United States This revised and expanded four volume encyclopedia is unequalled for both the depth and breadth of its coverage Some 650 entries address the full range of civil rights and liberties in America from the Colonial Era to the present In addition to many updates of material from the first edition the work offers 75 new entries about recent issues and events among them dozens of topics that are the subject of close scrutiny and heated debate in America today There is coverage of controversial issues such as voter ID laws the use of drones transgender issues immigration human rights and government surveillance There is also expanded coverage of women s rights gay rights gay marriage and Native American rights Entries are enhanced by 42 primary documents that have shaped modern understanding of the extent and limitations of civil liberties in the United States including landmark statutes speeches essays court decisions and founding documents of influential civil rights organizations Designed as an up to date reference for students scholars and others interested in the expansive array of topics covered the work will broaden readers understanding of and appreciation for the people and events that secured civil rights guarantees and concepts in this country At the same time it will help readers better grasp the reasoning behind and ramifications of 21st century developments like changing applications of Miranda Rights and government access to private Internet data Maintaining an impartial stance throughout the entries objectively explain the varied perspectives on these hot button issues allowing readers to draw their own conclusions Searching the Law, 3d Edition Frank Bae, Edward Bander, Francis Doyle, Joel Fishman, Paul Richert, 2021-12-13 **Bowker's Law Books and Serials in Print** ,2000 *North Carolina Reports* North Carolina. Supreme Court, 1970 Cases argued and determined in the Supreme Court of North Carolina **Criminal Discovery** Cosmas Moisidis, 2008 In *Criminal Discovery From Truth to Proof and Back Again* author Cosmas Moisidis examines aspects of pre trial stages such as police interrogations preliminary hearings and discovery between the

prosecution and the defence addressing contentious issues such as the right to silence and the privilege against self incrimination These issues give rise to strong emotive and polarised differences of opinion Criminal discovery is an area in which views are entrenched and passions run high Criminal Discovery From Truth to Proof and Back Again seeks to inform the current debate through a detailed analysis of the history theory and practice of criminal discovery Historical and jurisprudential matters which are not commonly known are here brought to light The approach is holistic and comparative examining the issues in detail with reference to the jurisdictions of the United Kingdom United States particularly California and Australia It concludes with recommendations to guide the future putting forward a reciprocal criminal discovery model which it is argued will enhance the truth seeking potential of the adversarial criminal trial Ulrich's International Periodicals Directory Carolyn Farquhar Ulrich,2001

The Evolution of the Fourth Amendment Thomas N. McInnis,2010-09-01 This book explains the different approaches to interpreting the Fourth Amendment that the Supreme Court has used throughout American history concentrating on the changes in interpretation since the Court applied the exclusionary rule to the states in 1961 It examines the evolution of the warrant rule and the exceptions to it the reasonableness approach the special needs approach individual and society expectations of privacy and the role of the exclusionary rule

Encyclopedia of Criminology J. Mitchell Miller,Richard A. Wright,2013-12-17 This three volume work offers a comprehensive review of the pivotal concepts measures theories and practices that comprise criminology and criminal justice No longer just a subtopic of sociology criminology has become an independent academic field of study that incorporates scholarship from numerous disciplines including psychology political science behavioral science law economics public health family studies social work and many others The three volume Encyclopedia of Criminology presents the latest research as well as the traditional topics which reflect the field s multidisciplinary nature in a single authoritative reference work More than 525 alphabetically arranged entries by the leading authorities in the discipline comprise this definitive international resource The pivotal concepts measures theories and practices of the field are addressed with an emphasis on comparative criminology and criminal justice While the primary focus of the work is on American criminology and contemporary criminal justice in the United States extensive global coverage of other nations justice systems is included and the increasing international nature of crime is explored thoroughly Providing the most up to date scholarship in addition to the traditional theories on criminology the Encyclopedia of Criminology is the essential one stop reference for students and scholars alike to explore the broad expanse of this multidisciplinary field

Principles and Practice of Forensic Psychiatry Richard Rosner,Charles Scott,2017-02-03 The third edition of this award winning textbook has been revised and thoroughly updated Building on the success of the previous editions it continues to address the history and practice of forensic psychiatry legal regulation of the practice of psychiatry forensic evaluation and treatment psychiatry in relation to civil law criminal law and family law as well as correctional forensic psychiatry New chapters address changes in the

assessment and treatment of aggression and violence as well as psychological and neuroimaging assessments **Tough on Criminal Wealth** Barbara Vettori, 2007-09-21 Based on the expertise of thirty leading experts on confiscation in the EU this is the first book to analyse the practice of proceeds from crime confiscation in the original fifteen EU Member States It examines the implementation of confiscation provisions in all three investigative judicial and disposal phases of confiscation proceedings It quantifies the enforcement of confiscation provisions in the EU using an innovative and unique methodology and thereby furnishes understanding of obstacles and best practices The conclusion of the book is that the tough on criminal wealth philosophy is largely alien to the everyday practice of law enforcement agencies Putting criminals behind bars is still the main aim of the system and most of the scarce resources available are devoted to achieving this This title is of interest to academics and students in the fields of criminology sociology and law as well as to law enforcement officers public prosecutors and policymakers **The Software Encyclopedia** , 1988 **Cyclopedia of Criminal Law** Hascal Russel Brill, 1922 *The Annual American Catalogue ...* , 1901 Plea Negotiations Asher Flynn, Arie Freiberg, 2018-07-24 Despite a popular view that trials are the focal point of the criminal justice process in reality the most frequent way a criminal matter resolves is not through a fiercely fought battle between state and defendant but instead through a process of negotiation between the prosecution and defence resulting in a defendant pleading guilty in exchange for agreed concessions from the prosecution This book presents an original empirical case study of plea negotiations drawing upon interviews with legal actors and an analysis of defence practitioner case files to shine light on the processes and ways in which an agreed outcome is reached in criminal prosecutions within the setting of a jurisdiction like many others world wide which is suffering major shifts in state resources Plea negotiations also referred to as plea bargaining negotiated guilty pleas and negotiated resolutions are neither an alloyed benefit nor a detriment for defendants victims or the criminal justice system generally and like all compromises this book shows how the perfect justice outcome gives way to the good or just the reasonably acceptable justice outcome **The United States Catalog** Mary Burnham, Carol Hurd, 1928 **Cyclopedia of Law and Procedure** , 1908 China and International Human Rights Na Jiang, 2013-12-12 This book is designed to introduce law students legal actors and human rights activists particularly participants in human rights dialogues with China to the process and reality of a newly confident China s participation in the international human rights system albeit with inherent challenges From an international and comparative perspective one of the key findings of the author s research is that progress towards human rights depends more on judges than on legislators Chinese legislators have enacted a series of reforms in order to better protect human rights Unfortunately these reforms have not led to greater adherence to China s international human rights obligations in practice The reforms failed because they have generally been misunderstood by Chinese judges who often have a limited understanding of international human rights norms Specifically this book will examine how judicial misunderstandings have blocked reforms in one specific area the use of severe punishments based on international human

rights theory and case studies and data analyses This examination has several purposes The first is to suggest that China ratify the ICCPR as the next step for its substantive progress in human rights and as a good preparation for its re applying to be a member of the UN Human Right Council in the future The second is to explain how judges could be better educated in international human rights norms so as to greatly reduce the use of severe punishments and better comply with China s human rights obligations The third is to demonstrate how the international community could better engage with China in a manner that is more conducive to human rights improvements The author s ultimate goal is to enhance dialogue on human rights in China between judges and the Chinese government between Chinese judges and their foreign counterparts and between China s government and the international community Another significant aim of this book is to clarify the controversial question of what obligations China should undertake before its ratification of the ICCPR and to re examine trends in its developing human rights policy after standing down from the Council in late 2012 The tortuous progress of China s criminal law and criminal justice reforms has confirmed that Chinese judges need further instruction on how to apply severe punishments in a manner consistent with international standards Judges should be encouraged to exercise more discretion when sentencing so that penalties reflect the intent of relevant domestic laws as well as the international human rights standards enumerated in the ICCPR In order to better educate and train judges this book contains introductory chapters that examine the severe punishments currently available to Chinese judges from an international human rights perspective To illustrate how Chinese justice currently falls short of international norms this paper also examines several cases that are considered to be indicative of China s progress towards greater respect for human rights and the rule of law These cases demonstrate that China still has a long way to go to achieve its goals at least before abolishing the death penalty forced labor and torture
