## **Notes From A Small Island Abridged Audio Cassette By Bryson Bill:**

**Media Review Digest** C. Edward Wall,1998      **New Statesman** ,1997-10      **Kliatt Young Adult Paperback Book Guide** ,2004      *The New York Times Index* ,1998      **Notes from a Small Island by Bill Bryson** R. Johnson,Bill Bryson,2001      **Books in Print Supplement** ,1994      Quicklet on Bill Bryson's Notes From a Small Island (CliffNotes-like Summary) Vivian Wagner,2012-02-29 ABOUT THE BOOK Bill Bryson s Notes from a Small Island is a quirky funny book filled with amazing and intriguing details about Britain I love this book just as I love all of Bryson s writing It reminds me of the first book I read by him A Walk in the Woods because it too is a travel story that has him ambling around the countryside and reporting his observations In fact he has such a likable voice and an engaging manner that he could walk around the block and still make it fun to read That s the wonderful thing about Bryson and it s why I love him He has a wry sense of humor that makes anything interesting funny and endearing and this book about Britain is no exception You ll read it and laugh and at the same time you ll learn a lot about this country its history its politics and its people You ll also learn a lot about Bryson himself and that s enjoyable as well The thing about Bryson is that he sees everything through the lens of his own perspective but that personal perspective never obscures the subject that he s looking at The more you learn about him the more you understand his take on his subject matter That is exactly what happens in Notes from a Small Island MEET THE AUTHOR professional writer Vivian Wagner has wide ranging interests from technology and business to music and motorcycles She writes features regularly for ECT News Network and her work has also appeared in American Profile Entrepreneur Bluegrass Unlimited and many other publications She is also the author of Fiddle One Woman Four Strings and 8 000 Miles of Music Citadel 2010 For more about her visit her website at [www.vivianwagner.net](http://www.vivianwagner.net) EXCERPT FROM THE BOOK Notes from a Small Island was published in 1997 as a kind of love story about the country Bryson was getting ready to leave It s told as a travel narrative and in order to write it as such he travels around the country as a tourist trying to see it with fresh eyes after having lived there for a number of years as a resident The book opens with him arriving in England via Calais just as he arrived years before and it continues by following him on his journey through the country As Publisher s Weekly says in a review of the book his trenchant witty and detailed observations of life in a variety of towns and villages will delight Anglophiles Traveling only on public transportation and hiking whenever possible Bryson wandered along the coast through Bournemouth and neighboring villages that reinforced his image of Britons as a people who rarely complain and are delighted by such small pleasures as a good tea In Liverpool the author s favorite English city he visited the Merseyside Maritime Museum to experience its past as a great port Interweaving descriptions of landscapes and everyday encounters with shopkeepers pub customers and fellow travelers Bryson shares what he loves best about the idiosyncrasies of everyday English life in this immensely entertaining travel memoir Buy a copy to keep reading      **Quicklet on Bill Bryson's Notes from a Big Country** Peg Robinson,2012-04-04 ABOUT THE BOOK The first time I read a Bill Bryson book I was not

expecting much at all For many years my family shared a rustic cottage on a lake with all the other members of my mother s family Entertainment on nice days usually involved swimming swimming more swimming and the occasional nap On gray days we read Over the years four generations of the family left behind a muddled collection of books When I read through the books I had brought with me I d grab whatever my relations had left behind That s how I first encountered Bill Bryson I found a well worn tattered copy of A Walk in the Woods left behind by a relative I picked it up with uncertainty not sure I was completely interested in a stranger s account of a summer spent hiking the Appalachian Trail As for a stranger who told that story while trying to be funny I suspended my disbelief But Bryson really was funny So funny that when I returned home I promptly ordered a copy and made my husband read it After finishing it he went out and got still more Bryson books They were funny too That s the first thing that should be said about Bryson and about Notes from a Big Land It s a funny book written by a man who has a mastery of funny MEET THE AUTHOR Peg Robinson holds a BA in Religious Studies from the University of California at Santa Barbara and has partially completed an MA PhD in Mythological Studies from Pacifica Graduate Institute She holds a certificate in copy editing from Media Bistro Her publishing career started in 1998 on winning a place in Simon and Schuster s Star Trek Strange New Worlds competition Her novelette Tonino and the Incubus qualified for the 2007 Nebula Awards She has worked as a content provider copy writer informational writer copy editor and developmental editor EXCERPT FROM THE BOOK Notes from a Big Country is the British version of a book published in the United States under the title I m a Stranger Here Myself Both books are compiled of essays written for the British publication Mail on Sunday s Night and Day edited by Simon Kelner a friend and associate of Bryson s There are extensive differences between the two books Notes from a Big Country contains a full 78 essays I m a Stranger Here Myself contains only 70 Editorial adjustments were made to take the language and assumptions of each nation into account An extensive comparison of the two volumes can be found from the Department of Translation Studies at the University of Tanjere The linguistic analysis may not interest everyone but it provides a fairly extensive overview of the changes made in adapting the book for two distinct audiences There is no question to an American reader that Notes from a Big Country was written for an English audience While Bryson is on record as considering his identity in England that of an outsider it s impossible to read the essay chapters without realising how deeply Bryson has adapted to English culture It s equally impossible to miss how profoundly he felt the culture shock on returning to the United States Buy a copy to keep reading CHAPTER OUTLINE Quicklet on Bill Bryson s Notes from a Big Country Bill Bryson s Notes from a Big Country Introduction Biographical Information Overview Notes from a Big Country Material and Tone and much more
