Barrett,2023-12-11 S ren Kierkegaard s authorship exhibits two different trajectories concerning the relation of responsible human agency to sovereign divine agency one trajectory stresses free human striving while the other trajectory emphasizes the dominance of divine agency The first theme led to the view of Kierkegaard as the champion of autonomous existential leaps while the second led to the construal of Kierkegaard as a devout Lutheran who trusted absolutely in God s gracious governance Lee C Barrett argues that Kierkegaard influenced by Kant s critique of metaphysics did not attempt to integrate human and divine agencies in any speculative theory Instead Kierkegaard deploys them to encourage different passions and dispositions that can be integrated in a coherent human life making use of literary strategies to foster the different passions and dispositions that are associated with the themes of human responsibility and divine governance Kierkegaard on God s Will and Human Freedom An Upbuilding Antinomy offers an incisive account of what makes Kierkegaard s conception of theology as a matter of edification rather than speculation so distinctive and enduringly worthwhile The Century Dictionary and Cyclopedia: The Century dictionary ... prepared under the superintendence of William Dwight Whitney ... rev. & enl. under the superintendence of Benjamin E. Smith ,1911 Saying Amen Kathleen Hughes, RSCJ,2021 In *Saying Amen Entering into the Mystery of the Sacraments* Kathleen Hughes invites readers to deepen their liturgical prayer She does this through a method of exploring the sacramental liturgies and reflecting on them This method of mystagogy the holy remembering of the words gestures sights scents music and silence of the event opens people to the touch of God That openness can lead to transformation and a better understanding of what it means to say Amen during communal prayer This book which includes the fruit of Kathleen s interviews with hundreds of Catholics is a valuable resource for scholars students and pastoral ministers Not only does *Saying Amen* present a mystagogical method it provides reflections from the faithful on how the liturgy has touched their lives **The Century Dictionary and Cyclopedia: The Century dictionary ... prepared under the superintendence of William Dwight Whitney** William Dwight Whitney,Benjamin Eli Smith,1901 *The Century Dictionary and Cyclopedia: The Century dictionary ... prepared under the superintendence of W.
