Sasson, 2013 Edited by Vanessa R Sasson *Little Buddhas* brings together a wide range of scholarship and expertise to address the question of what role children have played in Buddhist literature in particular historical contexts and their role in specific Buddhist contexts today

**North** Scott Jurek, 2018-04-10 From the author of the bestseller *Eat and Run* a thrilling memoir about his grueling exhilarating and immensely inspiring 46 day run to break the speed record for the Appalachian Trail Scott Jurek is one of the world's best known and most beloved ultrarunners Renowned for his remarkable endurance and speed accomplished on a

vegan diet he's finished first in nearly all of ultrarunning's elite events over the course of his career. But after two decades of racing, training, speaking, and touring, Jurek felt an urgent need to discover something new about himself. He embarked on a wholly unique challenge: one that would force him to grow as a person and as an athlete, breaking the speed record for the Appalachian Trail. North is the story of the 2,189-mile journey that nearly shattered him. When he set out in the spring of 2015, Jurek anticipated punishing terrain, forbidding weather, and inevitable injuries. He would have to run nearly 50 miles a day every day for almost seven weeks. He knew he would be pushing himself to the limit; that comfort and rest would be in short supply; but he couldn't have imagined the physical and emotional toll the trip would exact, nor the rewards it would offer. With his wife, Jenny, friends, and the kindness of strangers supporting him, Jurek ran, hiked, and stumbled his way north, one white blaze at a time. A stunning narrative of perseverance and personal transformation, *North* is a portrait of a man stripped bare on the most demanding and transcendent effort of his life. It will inspire runners and non-runners alike to keep striving for their personal best.

**The Jātaka, Or, Stories of the Buddha's Former Births**, 1913     *Buddha's Thunderbolt: the Uncredulous Tale of the Wizard Merlin* Jacob Asher Michael, 2010-03-12

What if everything you knew about the Wizard Merlin was wrong? What if Merlin was actually a Buddhist monk prone to hallucinations who was taken as a slave by the Huns and transported to Europe? *Buddha's Thunderbolt* tells the tale of this most peculiar man: a 5th-Century rationalist who regards magic as bunk, druids as idiots, and knights as glorified thugs. The last thing he wants is for the inquisitive orphan boy he is mentoring to become a king. Most folks at the bay market think Merlin is a bit mad. He claims to have traveled from Britain through India to China and back. His surrealistic visions, from horrifying flashbacks to a chess match with Ganesha, are a burden he has learned to bear. But what of the mysterious Lady Gopi who appears to him in various animal forms? Is she a delusion as well?

*Inspiration and Innovation* Todd M. Kerstetter, 2015-01-20

Covering more than 200 years of history from pre-contact to the present, this textbook places religion at the center of the history of the American West, examining the relationship between religion and the region and their influence on one another. A comprehensive examination of the relationship between religion and the American West and their influence on each other over the course of more than 200 years. Discusses diverse groups of people, places, and events that played an important historical role from organized religion and easily recognized denominations to unorganized religion and cults. Provides straightforward explanations of key religious and theological terms and concepts. Weaves discussion of American Indian religion throughout the text and presents it in dialogue with other groups. Enriches our understanding of American history by examining key factors outside of traditional political, economic, social, and cultural domains.
