Garner,2009-01-22 Mission statement coresci org Series Editor Todd Charles Wood Core Academy of Science encourages young Christian scholars to explore the hardest problems in creation Engineers sometimes classify problems as easy hard and impossible Easy problems are trivial because they can be solved merely by applying known principles Impossible problems cannot be solved no matter how hard we try Hard problems are the problems in between that require the most work but yield the greatest rewards Sometimes hard problems are accumulations of many easy problems and sometimes they turn out to be impossible When a hard problem is solved though it is widely celebrated For Christians and especially young age creationists understanding creation has many hard problems Evidences of the great age of the universe and earth can be difficult to explain Likewise with evidences of evolution Creationists reject the conventional explanations that involve millions of years and humans evolving from animals but alternative explanations that satisfy our scientific curiosity and our desire to remain true to the revealed Word of God are much rarer and not widely accepted It is much easier to focus on the detection of error rather than the more difficult discovery of truth This focus on error rather than truth pervades evangelical Christianity because it s relatively easy We all like the easy and impossible We teach our children to recite verses from the Bible and answers to our catechisms but when they ask difficult questions we say Only God knows We might even scold them for being impertinent or irreverent Core Academy equips the next generation to tackle these great mysteries by first and most importantly helping young scholars to develop a bold confident faith All too often scholars who face challenging puzzles become disillusioned and stray from the faith Our first goal then must be enriching and nurturing strong faith in Jesus Christ as Savior and Creator **Demon Warrior** Jaymi Mozeak,2012-10-08 I act like a demon I want things a demon wants I even look like a demon I drank the blood of an angel How can You want me I am nothing compared to your followers the lowest of the particles of the dust at their feet Follow Silver Fox a brave young wolf dog in her quest for a place for herself among the glories of heaven She looks like a demon and is hampered abused and mistrusted because of it She feels like no one will trust her No one wants her around No one will love her except Shepherd the white lion He alone invites her into the New Jerusalem He asks her to join the army He sees something in her that no one else sees He knows she is something the armies of heaven need a demon warrior **Musical Culture of the Munda Tribe** Sema Topano,2004 The Focus Is On Musical Culture Of The Munda Tribe Of Chhattaagpur Plateau Of Middle Eastern India It Contextualizes The Music And Dance With In The Physical Landscape Its Flora And Fauna The Life Cycle Life Style Daily Functions And The Cosmology And Mythology Has 6 Parts Munda Tradition Of Music And Dance Journey Through The Stages Of Life The Environment And Tribal Life The
