Keats Dorothy Bendon Van Ghent, 2014-07-14 Focusing in a new and thoroughgoing way on Keats's widely discussed interest in Greek myth Professor Van Ghent finds the underlying coherence in both his poetry and his letters to be archetypes of the hero and his double pervasive myths of creation and generation reflected in his poetics of desire Originally published in 1983 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905
