Raymond Chandler Robert F. Moss, 2002 Chronicles the career of Raymond Chandler from an aspiring man of letters in London to a professional novelist and literary celebrity who achieved commercial success and established an enduring reputation as a great American novelist His novels are works of perceptive social realism that capture and interpret American life between 1939 and 1959 He wrote seven of the best novels in the American hard boiled tradition as well as lyrical and evocative prose

The Recursive Frontier Michael Docherty, 2024-05-01 The Recursive Frontier is an innovative spatial history of both the literature of Los Angeles and the city itself in the mid twentieth century Setting canonical texts alongside underexamined works and sources such as census bulletins and regional planning documents Michael Docherty identifies the American frontier as the defining dynamic of Los Angeles fiction from the 1930s to the 1950s Contrary to the received wisdom that Depression era narratives mourn the frontier's demise Docherty argues that the frontier lives on as a cruel set of rules for survival in urban modernity governing how texts figure race space mobility and masculinity Moving from dancehalls to offices to oil fields and beyond the book provides a richer more diverse picture of LA's literary production during this period as well as a vivid account of LA's cultural and social development as it transformed into the multiethnic megalopolis we know today

Daylight Noir Catherine Corman, 2009 Daylight Noir Raymond Chandler's Imagined City comprises photographs of all the ominous forbidding locations in Los Angeles Chandler wrote about in his novels These places from Malibu Pier to the Hollywood Sign from Union Station to the Beverly Hills Hotel from MGM Studios to Musso Frank's Grill form the literary geography of his imagination Chandler was drawn to the Edward Hopper like loneliness of the city the separate existences that never finally merge In

Mysterious Something in the Light Tom Williams, 2012-07-17 A remarkably detailed portrait of the famously hard boiled
writer and creator of the popular gumshoe Philip Marlowe Publishers Weekly What we know of Raymond Chandler is
shrouded in secrets and half truths as deceptive as anything in his magisterial novel *The Long Goodbye* Now drawing on new
interviews previously unpublished letters and archives on both sides of the Atlantic literary gumshoe Tom Williams casts light
on this most mysterious of writers The Chandler revealed is a man troubled by loneliness and desertion from an early age
experiences that fueled his writing as much as they scarred his life Born in Chicago in 1888 his childhood was overshadowed
by the cruel collapse of his parents marriage and his father s alcohol fueled violence After his mother fled America Chandler
was schooled in London but felt constrained by the stuffy English class system eventually returning to the land of his birth
where in corruption ridden Los Angeles he met his one great love Cissy Pascal a married woman eighteen years his senior It
was only during middle age after his own alcoholism wrecked a lucrative career as an oilman that Chandler seriously turned
to crime fiction although his success was to prove bittersweet An obsessive attitude towards his craft unrealized literary
ambitions and a suicidal turn after Cissy s death combined to prevent him from recapturing the verve of his earlier writing
But his legacy the lonely ambiguous world of Philip Marlowe endures compelling generation after generation of crime writers
to go down mean streets In this long awaited new biography the most thorough and comprehensive yet written Tom Williams
shadows one of the twentieth century s true literary giants and considers how crime was raised to the level of art Praise for *A*
Beautiful Something in the Light Williams dutifully records these facts but deftly keeps the reader interested *A Beautiful*
Something in the Light is well researched but because it is so well written it should be of interest to scholars and mystery
fans alike Washington Independent Review of Books Outstanding Williams writes sensitively about the Cissy relationship and
delves illuminatingly into the composition of Chandler s masterpieces Thanks to his biography Chandler himself is a less
mysterious something than he was Sunday Times UK Precise kindly and necessary Scotland on Sunday UK A clear eyed
compassionate biography Kirkus Reviews
