Cook,1983 This work is a composite index of the complete runs of all mystery and detective fan magazines that have been published through 1981 Added to it are indexes of many magazines of related nature This includes magazines that are primarily oriented to boys book collecting the paperbacks and the pulp magazine hero characters since these all have a place in the mystery and detective genre Modern American Literature: A-G Joann Cerrito,Laurie DiMauro,1999 Presents critical excerpts and analyses from a variety of sources that combine to provide overviews of the work of 194 of the most significant authors of the modern period in American literature arranged alphabetically with bibliographies **Bowker's Guide to Characters in Fiction 2007** ,2008-02 *Raymond Chandler, Romantic Ideology, and the Cultural Politics of Chivalry* Anthony Dean Rizzuto,2021-12-03 Raymond Chandler Romantic Ideology and the Cultural Politics of Chivalry responds to the general consensus that Philip Marlowe represents a chivalric knight out of romance The book argues that this commonplace reading requires a stunningly rosy rewriting of Marlowe knighthood chivalry and romance The book offers a history of the cultural politics of chivalry from the Middle Ages through British Romanticism to the modern United States exposing the elitism violent masculinism racism and ethno national othering harbored within Rizzuto also considers the survival of the chivalric ideology after World War I and argues that the narrative of the Great War destroying chivalry rewrites the ghastly history of warfare Touching on Chandler throughout these cultural histories the book then directly confronts the question of knighthood and romance in the Marlowe novels Rizzuto identifies an explicit rejection of romance in the service of hardboiled gender class and genre norms including a seldom remarked pattern of violence against women and sexual assault The volume concludes by offering some ideas about Chandler s motivations and the reception of the Marlowe novels *Official Army Register* United States. Department of the Army,1955 **L. A. Freeway** David Brodsly,1983-01-01 **The Golden Girls** Bernadette Giacomazzo,2023-08-15 This book is a much needed addition to the growing body of scholarship around this beloved sitcom An essential read for The Golden Girls fans and media studies scholars alike Library Journal Starred Review Over the course of seven years and 180 episodes The Golden Girls altered the television landscape For the first time in history Americans and later the rest of the world were watching sexagenarians and one octogenarian leading active vital lives These were older women who had careers families lovers and adventures far from the matronly television characters of the past In *The Golden Girls A Cultural History* Bernadette Giacomazzo shows why this iconic sitcom is more than just comedy gold She examines how between all the laughs and the tales of St Olaf these women tackled tough issues of the time issues that continue to resonate in the twenty first century From sexual harassment ageism and PTSD to AIDS inter racial relationships and homosexuality Dorothy Rose Blanche and Sophia weren t afraid to take on topics which were once considered taboo This first ever cultural history of The Golden Girls explores how the show forever changed the

world's perception of what it means to grow older and showed us the healing power of friendship, community, and sisterhood. It gave the voiceless a new voice and unveiled all the possibilities of what family can mean, no matter one's race, religion, creed, or sexual orientation.

**The Encyclopedia of Best Films** Jay Robert Nash, 2019-10-23. This all-inclusive A-Z encyclopedia by one of the world's foremost experts on cinema provides comprehensive annotations of the best films produced from 1914 on. The work offers more than 5,000 three- to five-star entries: three stars (good), four stars (excellent), five stars (masterpiece), and yes, author Jay Robert Nash has viewed every single one of them, as well as many more that did not make the cut. In addition to a precis, each film's entry also includes a listing of the cast, as well as the key principles involved in production, from the director to the hair stylist. Especially unique to this book is a rating system that helps parents determine whether or not a film is appropriate for their children. Unlike the industry rating system, which can be influenced by studio lobbying, Nash objectively evaluates each film and confers upon it one of four recommendations for viewing: recommended, acceptable, cautionary, and unacceptable. Backmatter includes a list of top films by genre (i.e., animated, drama, sports, mystery, adventure, etc.) as well as an annotated name index listing all persons mentioned, along with their dates of birth and death. Rounding out this essential volume for the film buff are over 500 still photos from the author's private collection.

**Historical Dictionary of Crime Films** Geoff Mayer, 2012-09-13. The crime film genre consists of detective films, gangster films, suspense thrillers, film noir, and caper films, and is produced throughout the world. Crime film was there at the birth of cinema, and it has accompanied cinema over more than a century of history, passing from silent films to talkies, from black and white to color. The genre includes such classics as *The Maltese Falcon*, *The Godfather*, *Gaslight*, *The French Connection*, and *Serpico*, as well as more recent successes like *Seven*, *Drive*, and *L.A. Confidential*. *The Historical Dictionary of Crime Films* covers the history of this genre through a chronology, an introductory essay, and an extensive bibliography. The dictionary section has over 300 cross-referenced entries on key films, directors, performers, and studios. This book is an excellent access point for students, researchers, and anyone wanting to know more about crime cinema.

**Hollywood Riots** Doug Dibbern, 2015-12-17. The large literature about the politics of Hollywood in the period of McCarthy and the blacklist has largely overlooked political filmmaking during those agitated years. *Hollywood Riots* examines the most vibrant cycle of independently produced political films made while the House Committee on Un-American Activities was investigating communists in the film industry. In doing so, it shifts the focus from the politics of Washington to the politics of Los Angeles, and from the films of the Hollywood Ten to the more politically complex films of the progressive community at large. Dibbern shows how the movies produced by progressives at the end of the 1950s, including *The Lawless*, *The Sound of Fury*, *The Underworld*, were the logical cinematic parallel to their political and journalistic advocacy, fighting the conservative newspapers. In these films, they were recasting political events from California's recent past as politically engaged narratives that were inflected with their own fears of persecution. *Hollywood Riots* re-views the work of notable directors like Joseph

Losey and Cy Endfield as well as introducing unheralded political screenwriters and directors such as Daniel Mainwaring Jo Pagano and Leo C Popkin *Official Army Register* United States. Adjutant-General's Office, U. S. Army Register United States. Adjutant-General's Office,1962 Army Register United States.
